Yes, all Home Purity Bread and Rolls are baked with Dextrose sugar, the natural sugar of the human body.

Modern science has proven that Dextrose sugar is the "fuel with which life's engine runs". It is primarily the combustion or burning of Dextrose sugar within the body that heat and energy are liberated for keeping up body temperature, the performance of work and the maintenance of life.

See that your family gets a constant supply of this natural sugar of the human body—get the family supply of Home Purity Bread and Rolls at either Groceteria today.

For flavor—for Home Purity—plus the healthful benefits of Dextrose sugar, eat Home Purity Vitamin Enriched Bread and Rolls every day.
