

Dodgers, Tigers Face Big Chance In Pennant Chase

New York, June 22.—(U.P.)—A "golden opportunity" to run away with the pennant races faces the leading Brooklyn Dodgers and Detroit Tigers today.

Pitching and catching weaknesses threatened to scuttle the Dodgers, but Johnny Peacock, obtained from the Phils, is about ready to take over as first string backstop and in two days two winning pitchers have been "discovered." Art Herring beat the Phils Wednesday and Cy Buker, rookie from St. Paul, topped them again yesterday, 9 to 2.

The Tigers, unlike Brooklyn, have been contenders, but gained stature when they moved into first place after losing Ace Pitcher Alton Benton with a broken ankle. Now Benton is about ready to return along with Hank Greenberg, home run specialist back from the army.

Frank (Stubby) Overmire won his fifth game yesterday against two defeats, beating the Indians, 5 to 1.

Master Moundsman Dave Ferriss of the Red Sox fell from his pinnacle when the Yankees started the biggest rally of the year, a 13-run inning against him to win, 14 to 4, at Boston.

The Cards backed up Sylvester (Blix) Donnelly with extra base hits to beat the Reds at Cincinnati, 4 to 0.

Hank Wyss boosted the Cubs into second place with a 5 to 4 victory over the Pirates.

The Philadelphia at Washington game was rained out after three innings and the other teams were not scheduled.

CENTRAL POINT FACES CRATERS

Central Point Studs will invade the Medford Craters' fairgrounds park for a Southern Oregon baseball league game Sunday afternoon, starting at 2:30. The two teams met in a practice game in May with Medford taking an 8-0 decision.

Other league games send Ashland to Klamath Falls Navy and Klamath Falls Marines will tackle Butte Falls Loggers at Butte Falls.

PENALTIES FACE BASEBALL STARS IN DUGOUT FIGHT

Chicago, June 22.—(U.P.)—President William Harridge of the American League is expected to mete out stiff penalties today to participants in the free-for-all dugout battle at St. Louis Wednesday night between members of the Browns and the Chicago White Sox.

Umpires Art Passarella, Joe Rue and George Pipgras, who worked the hectic game, have mailed their reports of the fist-cuffs to Harridge who said he expected to receive them today and would "act on the case then." He has assessed heavy fines and suspended players in the past for fighting.

Manager Jimmy Dykes of the Sox said in Cleveland that he had sent a wire to Harridge charging that Luke Sewell, manager of the Browns, had instigated the fracas. Sewell, however, said it was caused by the "profane and uncouth" language used by jockey artists on the Chicago bench.

LEONE WINS WILD WRESTLING MATCH

Antone Leone used everything except wrestling holds to beat George Wagner in the main event of last night's Medford armory card. In the first round Leone swatted Wagner's skull with a stool after gaining the fall and midway in the second session they were outside the ring when Leone again started swinging a stool, narrowly missing spectators but not Wagner's head. Police got the pachyderms back in the ring and Wagner fell on Leone for the second fall.

In the third round Leone jumped into the air to grab the microphone, suspended on a cord, and used it to hammer Wagner into unconsciousness for the final spill.

Otis Clingman went to a fall-apiece draw with Milt Olson, who substituted for Walter "Sneeze" Achieu. In the opener Kenny Ackles won on a foul over Jack Lipscomb.

AUSTRALIAN BASEBALL PLAYER IN NEW RECORD

Los Angeles, June 22.—(U.P.)—Walter Driver, a member of the Australian Victorian Baseball association, Melbourne, set a new world record in fungo hitting for distance in the Fifth International Telegraphic Baseball field games, it was announced today.

Driver clouted the ball 503 feet, three inches to surpass the former record of 432 feet set on April 12, 1939, by Frank Maderias, St. Mary's College, Moraga, Calif.

The most serious type of vehicular accident is the grade crossing collision. Poor visibility accounts for nearly one-half of such accidents.

Dancing Every Night

to 16 inclusive. There will be a small charge for lessons.

Each member is to buy an instrument or baton through Mr. Heine to insure uniformity in equipment.

Classes will be held as follows: Twirling, Tuesdays, 9 a. m., K. P. hall; bugle, Wednesdays, 11 a. m., K. P. hall; drums, Saturdays, 9 a. m., at armory. Other classes will be announced later. Starting in September all classes will be held Saturdays in the armory.

As drums can only be secured a few at a time, drummers will use special-made practice pads and drum sticks.

The twirlers will be trained in a routine on roller skates called "Rollerscapades."

Heine plans after the war to enter the drum corps in the famous Chicago Music festival, an annual summer affair sponsored by the Chicago Tribune. This trip will include a national educational tour of the metropolitan cities of the country, visiting historical places of interest. About 30 chaperons will be included in the trip.

The corps will be entered in the Portland Rose festival and other well known events occurring at that time.

Pruitt's Music Center, 111 West Main street, has been selected as information headquarters for the mammoth drum corps. All who wish to join and have not yet signed up may secure information and sign up at Pruitt's Music Center.

Uniforms are now being designed and several offers have been received of assistance in financing, Heine stated.
