## JAYCEES PICNIC AT LAKE SUNDAY

All members of the Junior Chamber of Commerce and their families are urged to attend the picnic to be held at Lake o' Woods Sunday. It is to be a joint affair with members of the Klamath Falls club and will be held near the lodge at noon. Members are to furnish their own food.

The picnic will be followed by a softball game between the Klamath Falls and Medford Jaycees. Grants Pass members have accepted an invitation to umpire the game.

Members of the Medford Jaycee speakers club met with the Grants Pass Junior Chamber at We-Ask-U-Inn for the purpose of organizing a speakers' club among the Grants Pass group. The proposition was received with enthusiasm and a date has been set for the first meeting.

## PACKING SCHOOL SET NEXT MONTH

The packing plants of the valley will again hold a packing school next month, to provide additional packers for the coming pear season. There are not enough packers locally and shippers figure this talent lack the major bottleneck in the coming fruit harvest. Prospect for harvest labor is brighter with applications filed for Mexican nationals and German prisoner of war help.

Since the war, there has been a yearly shortage of experienced packers who come under the head of skilled labor. It takes a couple of seasons experience to make a good packer. In former years many of the packers were transient, following the fruit harvests, starting in California and working north.

**FREIGHT DROPS**—Washington, June 22—(U.P.)—Loadings of revenue freight in the week ended June 18 totaled 872,674 cars, a decline of 11,611 cars from the previous week, the Association of American Railroads reported today.

## SMALL TAX LEVY CONSIDERED FOR J'VILLE MUSEUM

County Judge J. B. Coleman reports a small tax levy is under consideration as a means to finance the Sons of the American Revolution sponsored proposal to convert the old courthouse at Jacksonville into a pioneer museum. The tax levy would be extended over a number of years and the funds used to place the structure in repair and pay the curator. The county judge said the building is in need of repair. Plans for the suggested tax levy are being worked out by the S.A.R. committee in charge of the project.

Judge Coleman, who was present at the laying of the cornerstone in 1884, says a Bible, copies of Jackson county newspapers, and a bottle of whisky are sealed in the cornerstone of the old courthouse. The articles were placed there at the dedication which attracted a large crowd.

Last Monday, Gov. Snell was honor guest and speaker at a meeting in the old courthouse and endorsed the plan to make it a museum and historic mecca. The plan was also widely approved throughout southern Oregon.

## YOUTHS DESTROY CABIN PROPERTY

Three juveniles, living at Prospect, have been lodged in the juvenile ward of the county jail and face a charge of entering a Woodruff Meadows cabin belonging to Mrs. Cora B. Carlson, 26 Western avenue.

State police, who investigated, said the boys had entered the cabin, broken all windows, removed everything from the walls, broken dishes, silverware, canned food, sacks of flour and generally damaged the interior of the building. The place was in such a shambles it could not be determined if anything was stolen, police said.

The boys, ranging in age from 14 to 16 years, had been employed by Charles Skeeters logging operations as brush pliers.
