

Bring Your Lunch Is Town's Warning As Eateries Close

Mattoon, Ill., June 25.—(U.P.)—Welcome to Mattoon (population 15,000)—if you bring your own lunch.

That's the message Mayor George W. Smith issued today.

He didn't mean to be inhospitable, he said. He merely wanted visitors to keep from going hungry.

A shortage of ration points, help, meat, potatoes—and patience—caused 10 of the city's restaurant operators to close up shop and go home. More kept their doors locked today. Only small lunch room proprietors held any hope of remaining open—and then not for long.

Mayor Smith said the situation was becoming critical, especially for hundreds of rooming house dwellers, transients, office workers and laborers. Normally the city's restaurants serve 3,500 meals daily. Yesterday they could feed only about half that number. Today it will be less.

VOLUNTEER GROUP AIDING RED CROSS SWIMMING SCHOOL

A group of Jackson County women are spending long hours supervising the hundreds of children who flock to Merrick's Pool daily to take part in the Red Cross swim campaign. Under the leadership of Mrs. John Day, the women work from 8:30 a. m. until 5:30 p. m. The campaign opened last week and continues through this week.

Under the leadership of Mrs. John Day, the volunteers register each child in the proper class, see that each child is inspected by the county health nurse, aid them in and out of the lockers, supervise the showers and see that each swimmer is in his class at the proper time so that a different group can be in the pool each half hour all day long.

Without the help of these volunteers the Red Cross swim campaign would have been impossible to handle, Red Cross officials state.

Many Assistants
Working mornings as waterfront assistants are Mrs. Paul Lowery, Miss Phyllis Tengwald, Miss Patricia Marks, Miss Susan Campbell, Mrs. Boyd W. Brock, Miss Callista Farrell and Mrs. Dale McMullin. Taking the morning shift for registration and locker supervision are Mrs. Edward Pringle, Mrs. R. A. Colbourn, Mrs. Dale Emsinger, Mrs. Diamond Flynn, Mrs. Jay Elliott and Mrs. Nettie Fry.

Afternoon waterfront assistants are Miss Barbara Olsen, Mrs. Vern Knight, Mrs. L. A. McCormick, Mrs. Jane Swanson, Mrs. Lowery and Miss Tengwald. Taking the afternoon registration shift are Mrs. M. Merriman, Mrs. Fred Wheat, Mrs. Phil Epstein, Mrs. Katherine Earl, Mrs. Flynn, Mrs. M. O. Bessonet, Mrs. Nobel Vincent, Mrs. Joe Dugan and Mrs. Selby Grady.

Mrs. Dean Falwell has been the motor corps and first aid assistant.

World's Fair For Los Angeles Area Is Plan In 1950

Los Angeles, June 25.—(U.P.)—The Los Angeles World's Fair commission today expressed satisfaction with two measures passed by the state legislature both bearing on a world's fair, which the commission hopes to land for Los Angeles.

One resolution designated 1950 as "World's Fair Centennial Year" in California, and 1948 and 1949 as centennial years to celebrate the discovery of gold and statehood. An interim legislative committee was given \$10,000 to study plans for the celebration.

A second measure gives permission to counties to spend exploitation fund money to promote trade fairs in connection with the centennial.

The commission has both Long Beach and the Bunker Hill area in downtown Los Angeles in mind as sites for the fair.

FILIPINO YOUTH WRITES TO MOTHER OF SOLDIER

Mrs. E. G. Taylor, Route 2, Ashland, recently received a letter from a Filipino boy who had become acquainted with her son, Pvt. Everett E. Taylor in a hospital in the Philippine Islands.

The letter told how much the Philippine people appreciate American material and manpower to combat the common enemy who has so wantonly destroyed their cities and taken their women and food. The Filipino youngster wrote that Mrs. Taylor should be proud to have a son who has been a saviour of humanity.

J'VILLE CHURCH SCHOOL ENDS 2-WEEK SESSION

Jacksonville, June 25.—Boys and girls of this community have completed two weeks of vacation church school at the Presbyterian church where more than 60 aged four to twelve were enrolled. Mrs. G. B. Goddard assisted Charlotte Niedermeyer in the primary department the first week while Mrs. Wayne Carter helped the second. Mrs. Ray Harris was pianist and the Rev. L. H. Mitchelmore was principal of the juniors.

FOOD LACK KEPT SPAIN FROM WAR ON SIDE OF AXIS

Rosenheim, Germany, June 25.—(U.P.)—Captured German documents revealed today that Germany and Italy attempted to bring Spain into the war on the axis side in February, 1941, but failed because of Spain's lack of food and military material.

The effort was revealed in a memorandum to Adolf Hitler and Foreign Minister Joachim von Ribbentrop by Nazi Deputy Foreign Minister Ernst von Weizsaecker based on a long conversation between Gen. Francisco Franco and Benito Mussolini at Bordighera on the Riviera.

If Spain eventually did come into the war, the memorandum said, she would have expected to receive both Gibraltar and French Morocco.

However, Franco advised Mussolini that Spain could not enter the war at that time because the country was suffering from famine and was completely unprepared militarily.

DRIVER LICENSE TIME EXTENDED

Salem, June 25.—Oregon drivers were reminded today that their drivers' licenses need not be renewed if they were issued on or after June 15, 1941, when Secretary of State Robert S. Farrell pointed out the fact that the 1945 legislature extended the valid period of such licenses another two years.

"All drivers licenses bearing the prefix '5R' and having the expiration dates June 30, 1943, or June 30, 1945, are now good until June 30, 1947," Farrell said. The secretary of state said many motorists were making inquiries about their licenses,

thinking it was necessary to renew them this year.

In the event the license card has become mutilated, or if the driver wishes to show a change in address or in personal description, duplicates may be obtained by writing the secretary of state's office in Salem, and enclosing the fee of 25 cents.

NEED OF BASES SEEN BY ARNOLD

Honolulu, June 25.—(U.P.)—Gen. H. H. Arnold, commander of the army air forces, believes the United States must have unrestricted use of island bases in the Pacific after the war to keep the peace.

"The future peace of the world depends on our doing this," he told a press conference yesterday on his return from a tour of the Pacific. "Indeed, the fate of mankind may depend upon it."

"We are today probably the greatest air power in the world. We must use it against Japan and are making plans to use it to make the final stage of the assault against Japan easier."

He said the United States should not permit anything to interfere with the full play of its air power. The United States in the years to come no longer can rely on "passive defense—mere bases here at home," he said.

"I've come back convinced that we must have a bridge across the Pacific. Otherwise, how will we ever be able to defend ourselves?"

ENJOY the BEST VACATION YOU'VE EVER HAD!

Civilians Told to Stay Off Trains; Crisis Faced

WASHINGTON, June 8.—(U.P.)—Faced with the greatest transportation crisis in the country's history, the government today put in a rush order for construction of 1,200 troop sleeping cars and military kitchen cars for early next year when troop movements

OUR NATION faces, these next few months, a cross-country transportation job of magnitude unprecedented in all history.

Present battle plans require that our armies be transferred to the Far Pacific within 10 months. This means civilian travel slashed to a trickle! President Truman himself recently asked that no one take summer trips this year. Naturally, this does not mean *no vacations*. It can mean the best vacation you've had in the best of all possible places... right here in our own Pacific Northwest. Start planning your vacation at home with as much care as you ordinarily plan a vacation trip... and see the fun you can have!

- There's your garden**
Up to now you've only had time to work in it. Now take the time to enjoy its beauty!
- And your car...**
give it a break! Spend a little time washing and waxing and polishing!
- Don't forget the odds and ends around the house**
Those countless little things that you've never had time to do... oiling squeaky doors, refrigerator motors, putting up screens, painting. It's lots of fun to putter.
- Get acquainted with your family**
Everyone has been so busy these last few years it's high time you slowed down and took a good look around you. The kids are growing up... and they're developing into pretty swell people. Your wife's been working hard—she'll welcome your help around the house—and your company, too!

And you'll find that your neighbors are pretty grand citizens
When you get to know them.

Yes, there are lots of interesting things here to do at home
When you stop to think about it. How long has it been since you picnicked in one of the parks, visited the public library, or did the scores of interesting things there are to do right in your own home town.

After all, what is a vacation but a rest and a change and a happy mental attitude! All of that you can get right here... in your own home town... in your own home.

This statement has been prepared and released by BLITZ-WEINHARD COMPANY with the approval of the Office of Defense Transportation.

You Can Get MORE MOBILGAS NOW—Get More From it!

What a pity if your car broke down now—just when you can start driving more! Here's how to keep it on the road—and get every mile from your new ration: Take your car to your nearest Independent Mobilgas dealer. Have him Summerproof it—drain the crankcase—flush it—put in Mobiloil, the world's largest selling motor oil. His thorough checkup of any needed services will stretch your newly increased Mobilgas ration farther.

YOU'LL BE MILES AHEAD WHEN YOU CARE FOR YOUR CAR AT THE SIGN OF THE "FLYING RED HORSE" THAT IDENTIFIES YOUR INDEPENDENT MOBILGAS DEALER

Drive in at the Sign of the Flying Red Horse for your free Federal Automobile Tax Stamp, protector—a new decalcomania to protect the new size windshield stamp now being issued.
