AT MANN'S

We still know quite a few men who labor (and sweat) with the idea that all summer suits are mussy! But for practical pleasant proof that they're wrong—we'd like to have them look at their friends wearing Michaels-Stern Rochester-tailored 100% wool tropical worsteds. The same careful hand-needled care that has distinguished Michaels-Stern winter weight suits goes into these handsome 22-ounces-lighter tropicals.
