

# Hal Newhouser Pitches Detroit To 5 To 2 Win

New York, June 29—(U.P.)—The Detroit Tigers were getting along nicely in the pennant race today with the aid of Hal Newhouser.

Restoring Detroit's one-game lead over the Yankees yesterday, Newhouser beat the pesky Senators, 5 to 2, on six hits for his seventh straight win.

A six-run fifth inning gave the Browns margin for a 9 to 4 victory over the Yankees at St. Louis, ending their five-game losing streak and snapping New York's winning streak at seven.

Frankie Hayes tied the Major League durability record for catchers at Cleveland, working his 217th straight game as Jim Bagby shut out the Athletics, 11 to 0.

The Cubs trimmed Brooklyn's National lead to three games, beating the Dodgers, 11 to 8.

The Braves, up to their specialty of winning games in the clutch, beat the Reds at Boston, 7 to 6. League Leading Hitter Tommy Holmes delivered safely in his 24th straight game.

The Cards batted around in the fourth to score five runs, enough to beat the Phils at Philadelphia, 6 to 1.

Nick Strincevich won his seventh game for Pittsburgh, beating the Giants, 3 to 1, at New York.

The Boston at Chicago game in the American was rained on.

## BY NELSON FEARS CALUMET COURSE

Chicago, June 29—(U.P.)—It was the field against Byron Nelson again today as 42 of the nation's top golfers teed off in the opening round of the \$10,000 Victory National Open at Calumet Country Club.

But Nelson, golfdom's leading money maker who has won 10 of the last 16 major tournaments, feared no man as much as he feared the tricky greens on the 6,657-yard Calumet course.

Jug McSpaden, the Sanford, Me., putting artist and Nelson's most persistent rival, is defending champion in the open and the one entry given a good chance to beat Nelson. During the preliminary pro-lady, pro-

amateur and pro-senior tournaments of the Victory National, he fired a blistering 67, five under par, to show his fondness for the course.

## FINN, LIPSCOMB WIN DUAL BOUTS

Paavo Katonen, the Finnish southpaw, and Jack Lipscomb won their double main event bouts at Medford armory last night while Milt Olson went to a no-fall draw with Kenny Ackles in the opener.

Katonen took advantage of Leone's sore leg to gain a two-out-of-three fall decision over the New York bad boy, keeping Leone in trouble most of the time.

Lipscomb wasted no time in trouncing "Gorgeous" George Wagner, who now has a permanent wave in his long black hair. Lipscomb lost the first fall in the second round by a drop kick and body press but took the second in 30 seconds when Wagner missed another drop kick and won the final tumble in 15 seconds of the fourth round with a press after giving Wagner several clips on the jaw.

Promoter Mack Lillard announced there will be no wrestling at the armory next Thursday night.

## Suspension Sought For Bobby Ruffin

Trenton, N. J., June 29—(U.P.)—All state athletic commissions which have working agreements with New Jersey were asked today to suspend Bobby Ruffin, Astoria, N. Y., boxer because of his "unwarranted delay" before appearing in a 10-round bout at Elizabeth, N. J., which he lost Tuesday night to Freddie Archer.

The lightweight boxer sat outside in a car, refusing to go into the arena until he was permitted to use six-ounce instead of eight-ounce gloves, Hall said. Hall said the request could not be granted because New Jersey laws permits nothing lighter than eight ounce gloves.

Closing time for Sunday Too Late to Classify 5:30 Saturday afternoon. Please remember.

## LITRELL PARTS, ORDNANCE CLASH TOPS CITY LOOP

**GAMES TONIGHT**  
Camp White vs. State Guard.  
Littrell Parts vs. Ordnance Shop.

Littrell Parts and Ordnance Shop will meet in the second half of the city league's softball doubleheader at the high school field tonight to break their tie for third place. Each team has lost a game. The winner will go into a three-way tie with Jennings Tire Shop and Silver Dollar Grill for second spot while the loser will be tied with Junior Chamber and Al Piche for third.

Stanley Keller, who hurled a no-hit, no-run game for Littrell's Wednesday night, will probably be on the mound for the parts house in an effort to turn in his second no-no in a week.

Camp White, alone in first place in league standings, meet last place State Guard in the first game, scheduled to start at 7:45. Should the guardsmen beat the high-flying army team the eight team league will be thrown into ties for first, second and third places but followers of the sport consider the guardsmen little more than a workout for the soldiers.

## Segura Advances To Semi-Finals

Evanston, Ill., June 29—(U.P.)—Moving stubbornly toward his third consecutive National Collegiate Athletic Association tennis singles crown, Francisco (Pancho) Segura was favored today to down Fifth-seeded Bernard Barzen of William and Mary College.

Segura, Ecuadorian star from the University of Miami and top-seeded in the intercollegiate tennis meet here, advanced into the semi-finals by defeating Howie McCall, Georgia Tech, seeded sixth, yesterday. The score was 6-2, 6-3.

## Sport Chips

Harry Chipman  
Mail Tribune Sports Editor

A large crowd of anglers are expected to go to Diamond Lake over the week-end and for the Fourth of July but won't set any records as far as fishing is concerned, according to Al Piche in his weekly piscatorial report. Angling is now about average for this time of year but is expected to improve after the algae settles. Fly fishing is somewhat improved during the evenings, with gray hackle and black gnat flies, size six, bringing best results.

Sid Blood, manager of Fish Lake resort, reports the road in to the lake is in good shape and that fishing is good. Trolling, with large flashers and worms, is bringing biggest fish and largest catches.

Hiatt Lake has been good for crappies and blue gills the past two weeks while bass fishing is spotty from day to day. Flies with red or yellow attached are real crappy-getters.

Salmon fishing in Rogue River is still spotty with a few being taken around Trail with spinners in sizes five and six, most any finish but bigger fish were caught on 50-50 finishes. Several jack salmon were taken the past week on spinners and flies. Trout fishing is good with flies in ruffles or choppy water, close to shore, bringing results. Any hackle fly will get fish at the present time.

All small streams are improving for flies and eggs. There is no special choice on small streams for the week-end, for all are good.

Our bouquet of June roses for the outstanding athletic accomplishment in the local sports picture goes out to Stanley G. Keller for his no-hit, no-run softball game against the State Guard in the city league Wednesday night. It was the first no-no around here this season.

## GAY DALTON EYED IN ARCADIA RACE

Arcadia, Calif., June 29—(U.P.)—Mexican Champion Gay Dalton today was expected to provide hottest competition for Louis B. Mayer's Thumbs Up in a field of 13 horses booked as probable entries in Saturday's \$100,000 added Santa Anita handicap.

Gay Dalton won every top race south of the border, but has lagged in his two starts so far at the local oval. However, with Georgie Woolf aboard at 126 pounds in the mile-and-a-quarter 'cap, he is tabbed to press the favored Mayer entry, carrying 130 pounds with Johnny Longden as jockey.

Other probable starters: Brice-Bac, Paperboy, Texas Sandman, Sirde, Lou-Bre, Best Effort, Broadcloth, Old English, Autocrat, Triplicate, and Victory Drive.

## Hull's Signature Going on Charter

Washington, June 29—(U.P.)—Cordell Hull, who devoted his last years as secretary of state to preparations for a world organization, will sign the United Nations security charter early next week.

The ailing "father of the United Nations," it was learned will add his signature to those of the seven other U. S. delegates and the diplomats of 50 United Nations who signed the 10,000 word document Tuesday at San Francisco.

## Portland Seeking Another Drydock For Repair Work

Portland, Ore., June 29—(U.P.)—If another drydock is installed in Portland, the port will have the capacity of employing up to an estimated 15,000 men on ship repair work, Captain L. G. Bock, assistant industrial manager for the navy, said today.

Ship repair and other officials are still attempting to get another Vancouver-built drydock located in Portland. There are about 7600 persons employed in the port on repair work now, and the docks are loaded with ships.

Manpower in ship repair has increased by about 4000 workers since February 1, according to Lee C. Stoll, Oregon's manpower director.

He has advised authorities in San Francisco and Washington, D. C., of the "absolute need" for another drydock here.

## Cement Concern Charged in Trust

Washington, June 29—(U.P.)—The Justice Department today charged the Cement Institute of Chicago, a trade association, and 89 manufacturers with conspiracy to fix Portland cement prices

throughout the country. The companies operate more than 400 plants in 35 states and manufacture about 99 per cent of the Portland cement produced in the United States. Attorney General Francis Biddle said in announcing the filing of an anti-trust complaint in Denver.
