It's easy as 1—2—3 to beat the heat . . . to feel cool, refreshed and relaxed these sultry Summer evenings. 1—step into a tub of water delicately perfumed with bath crystals. 2—lather up with floods of suds from a mild, easy-on-your-skin soap. 3—pat yourself dry and caress your skin with a generous dusting of bath powder. Simple, isn't it? But it's the best of all cooling systems. Everything except the water can be bought here at economical prices.
