

Marines Rough on Valley Teams; Ashland Defeated

Klamath Falls Marines baseball team cut a wide swath through valley competition in Southern Oregon league play over the week-end. They plastered Medford Craters 12 to 2 at the Fairgrounds Park Saturday night and then jumped on three Central Point hurlers for a 12 to 3 triumph at Central Point Sunday afternoon.

Medford traveled to Ashland Sunday to administer a 17 to 6 lacing to a scrappy Ashland team, also a league game.

The Marines were just too much for Medford although George Barr, Medford's starting pitcher, held the leather-necks hitless during the first two innings. In the third frame his ball developed a bad hop and he had to be removed in the third with one out. Dick Kidwell struck out the next two batters but himself got in trouble in the fourth and was relieved by Steve Crippen.

Crippen, bothered by a sore arm, threw only two balls and was replaced by Manager Paul Freer, who went the remainder of the distance.

Lee Reynolds, playing second base in the Crater lineup, scored in the first inning on an error by Arnold Gosnell to put Medford in the lead over Ashland, a margin which the Lithians were never able to overcome.

Kidwell, going the route on the mound, was in trouble several times but excellent pitching and a tight infield carried him through. Every Medford player who made the trip saw action in the game as Manager Freer substituted liberally at every position except pitcher and shortstop.

Bill Matfield, Ashland first baseman, hit a home run in the seventh inning with none on base for the longest hit of the day.

Central Point held the high-stepping Marines to a 3-1 count going into the sixth inning when Dewey Hill, veteran Stud catcher, wrenched his shoulder and was removed from the contest. From there on the Studders seemed to break up and the Marines went to work.

Klamath Falls Navy strengthened their grip on first place in league standings, by whacking Butte Falls, 28 to 1, at Butte Falls yesterday. Batteries for the Navy were Patterson and Reitenour; for Butte Falls Abbot, Baker and Thomas, Saubert.

Scores:
Marines 12 9 0
Medford 2 5 6
Chapin and Bogarski; Barr, Kijwell, Crippen, Freer and Freer, Gitzen.

Medford 17 13 3
Ashland 6 10 9
Kidwell and Gitzen, Freer; Jones, Morin and Larson.

Marines 12 12 3
Central Point 3 6 3
West, Pitts and Bogarski; Shrier, Colley, Worley and Hill, Harris.

HINES LOOMS AS DARK HORSE FOR DAYTON TOURNEY

Dayton, O., July 9—(U.P.)—Forgotten Jimmy Hines, playing some of the greatest golf of his career, was rated a dangerous dark horse today as qualifying play began in the 27th national tournament of the Professional Golfers' association.

About 150 of America's top pros, the largest field in the history of this celebrated golfing classic, open the 36-hole, qualifying scramble with 18 holes today over the rolling Moraine Country club course.

And, while Byron Nelson is rated the man to beat, Hines is considered one of his most dangerous challengers because in golf, champions do come back.

Despite the size and class of the field, no man has attracted more attention than the 39-year-old Chicago veteran who has brought back memories of the "good-old-days" by turning in par-shattering practice rounds unmatched by anyone.

Hines, a former Ryder cup player and one of the hottest golfers in the land back in the middle 30's, has become an "executive golfer" of late, attending more to golf business than tournament play. As chairman of the P.G.A. tournament committee, Hines helped revise the Moraine course for this championship.

Former Invalid Is Declared New Decathlon Champ

Bloomfield, N. J., July 9—(U.P.)—Charles Beaudry, destined 10 years ago to spend the rest of his life as an invalid, was the new National Amateur Athletic Union Decathlon champion today with a total of 5,986 points.

Beaudry, 28-year-old post graduate student of Marquette University in Milwaukee, won the gruelling 10-event test from a field of 15 entrants, finishing first in the 100 and 400-meter runs, fifth in the 1,500-meter run and the high hurdles and seventh in the discus.

Beaudry was a patient in 1935 at Muridale Sanatorium in Milwaukee with a lung ailment and attending physicians said he probably never would be able to walk again. However, he made a gradual recovery and after leaving the institution fully cured, he became central collegiate conference sprint champion at Marquette.

Western Tennis Tournery Starts

Menasha, Wis., July 9—(U.P.)—The 56th annual western senior tennis championship tournament gets under way today on the Winnebago Town and Tennis club courts with a field of American and foreign stars competing in five divisions.

Winning of the western tennis cup, never retired since it was first awarded in 1907, is the goal of senior men entered in the competition. The cup can be retired and held by one player only if he wins three times. Only three have won twice. Topping the list of men stars entered is Francisco (Pancho) Segura, of Ecuador, national collegiate tennis champion.

TALBERT BESTS SEGURA TO WIN TENNIS CROWN

River Forest, Ill., July 9—(U.P.)—Billy Talbert today added the national clay courts men's singles championship to the two other tennis titles he has annexed this season as a result of his win over defending champion Francisco (Pancho) Segura.

Talbert ranked No. 2 nationally, avenged his title defeat of last year by winning from Segura in yesterday's five-set finale, 6-4, 4-6, 6-2, 2-6, 6-2. He is from Wilmington, Del.

In the women's division, second-seeded Mrs. Sarah Palfrey Cooke, Los Angeles, who has been away from the game for the last three years, handed Pauline Betz, Los Angeles, her second straight title defeat, 6-3, 7-5.

Talbert's victory over Segura gave him a slight edge in their deep-rooted rivalry. Talbert defeated the Ecuadorian in the middle states and Delaware tourney final and gained second championship in the tri-state meet last week while Segura was winning the N. C. A. A. Talbert eliminated Pancho in the all-important nationals at Forest Hills, N. Y., last year after losing to him in three earlier meets.

MEDFORD SOLDIER WRITES OF TRIPS TAKEN IN EUROPE

Accounts of sight-seeing trips to historic and scenic places in Venice and Rome, written by Staff Sgt. Lewis Wilson Church, have been received by his mother, Mrs. Richard Klemm of 1119 West Main street. Serving with a mountain infantry division, Church has been awarded the Purple Heart medal for wounds suffered in action March 3, and the bronze star for heroic achievement near Torbole, Italy, on April 28.

A graduate of Medford high school, Church attended Oregon State College for one year before entering the service two years ago.

Writing of his "rest tour," Sgt. Church stated that he was one of a group of American soldiers conducted through Venice, the ancient old-world city networked with canals, and which miraculously escaped damage by bombs in the war.

Six days spent at the Fifth Army Rest Center in Rome brought the sergeant into the building formerly used as Mussolini's home, luxurious with marble, chromium and plate glass finishings, and furnished with swimming pool, gymnasium, tennis courts, dining halls and ball rooms.

The Eternal City's Forum, Coliseum, Catacombs and the church of St. Paul were all visited by the American soldiers.

A tour of Vatican City and an audience with the Pope completed the trip, Sgt. Church wrote.

The charge was made by R. B. Cozzens, assistant director of the WRA.

"RIVERSIDES didn't come on my car I CHOSE THEM!"

Your neighbor's Riversides didn't come on his car; he chose them himself . . . to replace the tires he found on his car as "original equipment." He is one of the millions who have chosen Riversides deliberately in preference to the brands that come on new cars . . . in preference to all the other well-known makes of tires! Why? For the same reason that makes so many car-owners switch to Riversides today:—
