

Byron Nelson Lauded As Game's Greatest Golfer

Dayton, O., July 13 — (U.P.) — Byron Nelson's victory over Mike Turnesa of White Plains, N. Y., in the second round of the 27th National P.G.A. tournament was hailed today as the most rousing comeback in the history of golf.

Before teeing off against Nelson in the quarter-finals of the P.G.A. today, Denny Shute of Akron, O., twice winner of this tournament, himself said, "I doubt if anybody can beat that guy now."

"I think every golfer here will agree with me that he is the greatest golfer that has ever known. Who can doubt it after his victory over Turnesa yesterday."

Nelson knocked Turnesa out of the second round one up on the 36th hole for a triumph that will stand as the most thrilling finish of them all—one that will be talked about for years whenever pitch-and-putt folks get together.

Turnesa, playing the top tournament golf of his long career, was two-up on Nelson going into the last four holes of the Moraine Country Club course. Nelson had been trailing for 19 holes and time was running out.

Two Birdsies Then the Toledo, O., star made his bid. He fired two birdies in a row and climaxed his drive with an eagle-3 on the 35th hole to go one-up on Turnesa. They

halved the 36th and it was over as quick as that.

Mike was seven under par for 36 holes. Yet his dream of golf's biggest upset was shattered by a near-perfect "machine" who shot a 68 and 66 to finish 10 under par.

Sammy Byrd became Nelson's chief challenger for the title when he nosed out Johnny Reftitt, 2 and 1, catching up and volta of Evanston, 1935 P.G.A. passing the kinky-haired Italian on the last nine of their 36-hole match.

Shirley Fry Moves Into Semi-Finals

Philadelphia, July 13 — (U.P.) — Shirley Fry, 18-year-old former from Akron, O., plays Connie Clifton of Rolling College, Miami, Fla., today in the semi-finals of the Middle States Women's Tennis Tournament.

Miss Fry, top-seeded over a number of older players in the meet, won her quarter-finals competition in a breeze yesterday, romping over Betty Ruth Hulbert of St. Louis, 6-0, 6-1.

'SUPERMAN' JC SOFTBALL TEAM PLAYS TONIGHT

GAMES TONIGHT Jennings vs. Camp White. Junior Chamber vs. State Guard.

Junior Chamber of Commerce softball team, spoilers of high-ranking teams in the City league, will tackle the tail-end State Guard outfit in the second half of the bi-weekly double header at the high school field tonight. The Guardians scared Camp White last week and many figure the rifleman primed to whittle the JayCees down.

The civic club started out slowly by dropping their first two games to only average competition but came back to thump the leaders in their next two contests.

Jennings Tire Shop, originally picked as the team to beat but now resting in a third place tie with the JayCees, will go against Camp White in the first half of the dual bill.

If the Tiresmen should happen to come through with a victory they will throw the league leadership into a three-way tie but if beaten will place a triple knot on fourth spot. They meet at 7:45 p. m.

CRATERS TO PLAY KLAMATH MARINES

Medford Craters, riding in third place in the Southern Oregon league, will meet second place Klamath Falls Marines at Recreation Park, Klamath Falls, Sunday afternoon. The Marines whipped Medford 12 to 2 here last Saturday night and the Craters are pointing toward sweet revenge.

Manager Paul Freer will probably start George Barr or Dick Kidwell on the mound with the rest of the lineup intact, in the same positions as in former games.

Ashland, yet to win a game this season, will travel to Butte Falls while Klamath Falls Navy plays at Central Point. All are league games.

Sport Chips

Rogue river holds the angler's eye for the coming week-end, according to fishing information gathered by Al Fiche, Salmon fishing is much improved in the Rogue with best results being obtained on spinners in size four or five. Any 50-50 finish, which gives more reflection, is most popular.

Trout fishing continues to be good in all parts of the Rogue with spinners being the best lure. Eggs are still getting fish while flies in any pattern are getting fliers up to eight inches. Next month promises to be the best time for steelhead fishing with flies in the Rogue with single egg fishing to follow.

Bill Fradd, 1218 West Tenth, hooked four out of six strikes this week but landed none because the fish were unusually wild.

Hiatt Lake is fast for limit catches of crappies and blue gills while bass are taking plugs and averaging two to six pounds.

Fish Lake is expected to get better as the weather cools. Angling has been spotty there recently with best results being obtained by trolling. There are four more weeks of open season left at Fish Lake.

Troll fishing has dropped off at Diamond Lake but if one sits patiently all day, bait fishing, he might catch some. Big Butte creek is best now for trout up to, and above, Butte Falls. All smaller streams are said to be good with best results obtained far up stream where water is cooler and food more scarce.

INDUSTRY'S POWER NEEDS Postwar industrial use of electric power is expected to be almost 80 per cent higher than in prewar 1939.

Lumber King Takes Railroad Joyrides Says Congressman

Washington, July 13 — (U.P.) — Rep. Hugh Delacy, D. Wash., charged today that railroad officials and a prominent northwest lumber family used private trains and sleepers for cross-country "joy-rides."

He urged all such luxury equipment be banned except for use by members of the armed forces.

Delacy said an official of the Railway Brotherhoods told him the Weyerhaeuser family arrived at Everett, Wash., in a special Great Northern car "approximately four months ago."

"Mr. Weyerhaeuser or his wife got cold," Delacy told the House. "So an engine — badly needed to shift war supplies in Seattle — was sent the 20-odd miles from Interbay in Seattle to Everett to provide the Weyerhaeusers with steam."

The same car, Delacy said, was sent empty from St. Paul to Tacoma, Wash., on June 29 to pick up the Weyerhaeusers. It was stocked with food and meat, he said.

"I am told the riding Weyerhaeusers gave up no points for this special Great Northern service," Delacy said.

He charged that six empty Pullman sleepers traveled west from St. Paul three months ago as "bumpers" for a trainload of Great Northern board directors.

JayCees to Play At Klamath Falls

Medford Junior Chamber of Commerce softball team will travel to Klamath Falls Sunday where they will engage the Klamath Falls JayCees in a game at Recreation Park, beginning at 6:30 p. m.

In a previous tussle, Klamath Falls nosed out their traditional rivals, 23 to 22, in a free-hitting game.

QUISLING INDICTMENT COVERS LENGTHY LIST

Oso, July 13 — (U.P.) — A formal indictment against Vidkun Quisling was made public today, charging him with 716 homicides, treason, violation of the Norwegian constitution and illegally amassing a fortune of millions of crowns.

The indictment was 7,000-words long and was drafted by State's Attorney Annaeus Schjodt. Trial of Quisling will begin in late July or early August.

Late summer and early fall are the critical times in the woods. Forest fuels are drying out and people become more careless. We must double our vigilance to keep Oregon Green.

Hollywood, July 13 — (U.P.) — A disinherited sister of Screen Star Lupe Velez today filed a creditor's claim for \$25,000 allegedly due her to care for Lupe's unborn child which had caused the Mexican actress to kill herself last Dec. 14.

Mrs. Josefina Anderson, the sister who last Saturday filed court action contesting the will disposing of Miss Velez' \$250,000 estate, is seeking the \$25,000 under an agreement allegedly made in November, 1944.
