

Yes—you can eat better in spite of rationing, and you can save money on your food bill at the same time. How? By changing to Kampfer's Big "Y" Market. It's a change for the better all around—for better variety . . . for bigger and better values in fine foods. Come in today. See our big displays of plentiful foods—no-point, low-point foods that solve wartime menu problems in a jiffy. See how much less your complete order costs at Kampfer's Big "Y" Market, and you, too, will sing this happy rhyme—"We're Eating Better and Saving More Since Shopping at this Fine Food Store."

Your family won't frown on salads—not when you make them with our farm-fresh fruits and vegetables that have all the naturally good flavor of sun-ripened produce. That's the beginning of a successful salad . . . and for a happy ending, put a variety of dressings and condiments on the table so that each member of your family can dress the salad to taste. It's a wise gal who knows she can please the whole family this good-eating way.
