**WILLING WATER SAYS**

**POURING WATER ON A DUCK'S BACK IS WASTE**

**AND A LEAKING FAUCET IS WASTE**

**STOP WATER WASTE**

Folks water works plant materials are going to war. There won't be new extensions or new services until we beat the Axis.

The water wasted daily by residential, commercial, municipal and industrial water fixtures totals millions of gallons.

**City of Medford Water Department**

This wasted water is needed to make war materials. I'm hustling to deliver all the water needs of war plants and of you civilians, too, so Joe and the other boys can keep the tanks and airplanes moving on the production lines.
