HEATHERCROME SAXONY-TYPES

Tailored by MICHAELS-STERN

So you're office-bound — tied to a desk — so what. You can still (and should) wear a soft-to-the-touch quietly colorful Heathercrome. Just because you have a big job to do is no reason why you should look old before your time! As a further inducement (if you still need one) — you get a bonus when you wear the coat alone as a sport jacket.
