TIGERS PENNANT STOCK RISES AS TROUT RECOVERS

New York, July 28—(U.P.)—Detroit Tiger American league pennant stock, which had been as unsteady as its pitcher staff on the recent eastern trip, went firmly upward today as Dizzy Trout came through with his first complete game since July 8, an 8 to 3 victory over the Chicago White Sox.

Trout has suffered intermittently from lumbago since the start of the season, and when the Tigers went east, he went to a hospital. He rejoined the club in the spring and made two relief appearances. His absence

hurt badly, but his smooth nine-hit job today indicated that he can take his turn regularly now. Not a Sox runner passed second in the last six innings.

Washington fell four games off the pace when the Senators couldn't solve Jim Wilson of the Boston Red Sox and went down, 6 to 2.

Cleveland moved into a virtual tie with St. Louis for sixth place by topping the Browns, 6 to 2. It was the Indians' fifth straight victory, and came on a six-hit effort by Allie Reynolds.

Philadelphia at New York was rained out.

The Chicago Cubs kept up their sizzling pace at the top of the National league by beating Cincinnati for the 11th straight time, 8 to 3, in a game halted in the eighth by rain. It was Chicago's 23rd victory in 27 games.

Brooklyn, handed the Boston Braves their seventh consecutive loss, 2 to 1. Boston rallied gamely in the ninth inning and chased Hal Gregg off the mound.

The New York Giants won two from the Philadelphia Phillies, 2 to 1, and 8 to 2. Ernie Lombardi's single in the sixth inning drove in the winning run in the first game. New York batted three Phil pitchers for 14 hits in the nightcap.

Southern Oregon league play this weekend finds main interest centered on the Central Pointers game being played at the Medford fairgrounds park, starting at 2:30 p. m. Other league contests match Butte Falls with the Klamath Falls marines at Klamath, and navy will travel to Ashland.

Both Paul Freer, manager of the Craters, and Bill Askwith of the Central Point aggregation declined to announce starting pitchers before game time.
