SENATORS, YANKS TIE FOR SECOND; REDS BEAT CUBS

Washington Hurlers Rugged White Sox Defeat Detroit—Other Scores

New York, Aug. 4—(U.P.)—The Washington Senators finally ran out of pitchers today and suffered a 12-run battering in the fourth inning of the second game after trimming the Boston Red Sox, 4 to 0, in the first game of the Senators' fourth straight doubleheader.

The final score of the second game—15 to 4—detracted little from the amazing performance of the Washington mound staff, which gave up only three runs to Philadelphia in beating the A's four games in two nights, came back last night to top Boston twice, and then climaxed with a two-hit performance by Walt Holborow, making his first big-league start in today's first game.

Cuban Santiago Ulrich opposed Dave Ferriss in the nightcap and was even at 2 to 2 when the Red Sox went to work on him. Despite the split, Washington gained a half-game on Detroit, which lost to Chicago, and held second place over New York.

The Tigers, who bumped Chicago three straight at Detroit recently, found the White Sox just as inhospitable and dropped their second straight, 3 to 2.

In the National League, the Cincinnati Reds beat the Chicago Cubs for the first time this season, 4 to 3. Pitcher Ed Heusser batted in the deciding run in the sixth inning.

St. Louis Cardinals cut the

Cub lead to five games by nosing the Pittsburgh Pirates, 6 to 5, on Debs Garms' ninth-inning single. Bill Salkeld was a one-man attack for Pittsburgh with five hits in five tries and five runs batted in.

The beleaguered Boston Braves turned on the Brooklyn Dodgers and beat them twice. The first game was a completion of a game suspended June 17 and the Braves held the 4 to 1 advantage they had run up. Big Bill Lee racked up a six-hit 1 to 0 shutout in the regularly-scheduled game.

The 752nd MP battalion from Camp White took advantage of three Littrell Parts errors, combined with nine hits, to pound out a 7 to 3 victory in the semifinals of the Medford Softball Association play-off at Medford high school stadium Friday night.

Camp White Agates pounced on eight mistakes by Jennings Tire Shop to annex an 8 to 5 win in the other semi-final game. There were a total of 13 errors in the game, which was one of the most poorly played of the season. Camp White made five runs off one hit and four errors in the second inning and piled up four more runs off two hits and three bobbles in the sixth frame. Smith collected \$2 prize money with a triple with the sacks empty in the first inning and Pattison smashed out a double in the fourth with none aboard.

MP's led all the way in pounding two Littrell hurlers for nine hits. Cap Vandarrift started for the partsmen but was relieved by Stan Keller, who finished the game. Keller also enriched himself by \$2 with a triple in the seventh inning with two mates on bases. Lundberg also was paid off with a three-bagger in the second.

Tuesday night's championship game between the MP's and Camp White will be played at 7:45 with the consolation finals, pitting Jennings Tire Shop and Littrell Parts to follow. The championship game was arranged as the first contest in order to permit the teams to leave immediately afterward for Fort Lewis, where they will combine their squads to enter the Ninth Service Command championship.

Scores: 752nd MP's 7 9 2; Littrell Parts 3 6 3; Whipp and Moul; Vandarrift, Keller and Guinotte.

Camp White 9 6 5; Jennings 4 5 8; Mahr and Majors; Sindler and Coghill.

DUCK SEASON WILL OPEN SEPT. 20; CUT BAG LIMIT TO TEN

Washington, Aug. 4—(U.P.)—The White House tonight announced that there will be an 80-day open season on ducks this year and that the daily bag limit has been reduced to 10.

The regulations were contained in a proclamation by President Truman embodying hunting law changes recommended by Secretary of Interior Harold L. Ickes. The changes were drafted by the Fish and Wildlife Service after consultation with State Game administrators.

In general, an 80-day open season was provided. It will start Sept. 20 in the northern zone of the United States, Oct. 13 in the intermediate zone, and Nov. 2 in the southern zone.

The new regulations provide a daily bag limit of 10 ducks, thus eliminating the previous provision permitting an additional daily bag of five mallards, pintails or pigeons for a total daily limit of 15.

With certain exceptions, hunting will be permitted from 30 minutes before sunrise until sunset.

The period after the season closes during which it will be legal to possess migratory game birds was extended from 45 to 90 days. Taking of waterfowl by means of bait or live duck or goose decoys still will be prohibited.

In Pacific coast states, four snow and white-fronted geese (single or in the aggregate) plus two of some other kind, including Brant, may be taken in a day, and eight snows and white-fronts plus four of some other kind, including Brant, may be possessed. Elsewhere than on the west coast four blue and snow geese (single or in the aggregate) plus two of some other kind, including Brant, may be taken in a day, and eight blues and snows plus four of other kinds, including Brant, may be possessed.

Toronto, Aug. 4—(U.P.)—Brilliant Byron Nelson, recovering his magic touch on the final nine holes, won the \$10,000 Canadian Open Golf Tournament today with a scorching 68 for his 11th successive major triumph this year.

The two-under-par final round gave Nelson a 72-hole score of 280 and a four-stroke victory margin over the surprise runner-up, Herman Barron of White Plains, N. Y., who ripped off the lowest score of the tournament—a 67—but had been too far back to catch Nelson.

BILL KYNE EYES PLANS TO BUILD PORTLAND TRACK

Portland (Ore., Aug. 4—(U.P.)—Bill Kyne, the San Francisco racing promoter, arrived in Portland today to discuss the possibility of becoming identified with a new horse racing plant in the Portland area.

The May Meadows operator will confer Monday with President Harvey Wells and his associates of Portland Downs, Inc., which plans to construct a three quarter mile modern horse plant in the Jantzen beach area north of Portland.

Kyne had plans ready just before Pearl Harbor to construct a track at Jantzen beach but war ended his plans. Meanwhile, the Portland promoters went ahead with track plans, although recent efforts to secure priorities have failed. The backers hope to get the oval and grandstand ready for a spring meet next year and the Oregon racing commission already has granted dates for the meeting.

Kyne is confident that Portland could become a major racing center if horses were brought here. He cited the fact that the Portland dog racing track is second only in business to the Boston races, and the county fair and small time horse races are heavily attended.

MISS BETZ GOES IN SEMI-FINALS

Wilmington, Del., Aug. 4—(U.P.)—The four top seeded players, headed by national women's champion Pauline Betz, Los Angeles, advanced into the semi-final round of the Delaware state women's grass court tennis tournament today.

Miss Betz entered the semi-final round at the expense of Mrs. Patricia Canning Todd, Hidden Valley, Cal., the tournament's surprise quarter-finalist. Borrowing the racket of Francisco Segura, Miss Betz turned in a 6-3, 6-4 victory over Mrs. Todd.

Other semi-finalists are Mrs. Sarah Palfrey Cooke, Boston, who disposed of Doris Hart, Miami, Fla., in surprisingly easy fashion, 6-0, 6-3; Margaret Osborne, defending champion, a 6-4, 6-3 winner over Kay Winthrop, South Hamilton, Mass., and Louise Brough, Beverly Hills, Cal., 6-3, 6-3 victor over Mrs. Helen Pedersen Ribbany, New York.

United Press
In a night game at New York, the Giants edged the Philadelphia Phils in 10 innings, 5 to 4, when Jack Kraus walked the winning run with two out. Mel Ott's 501st homer in the eighth inning drove a run home ahead of him and tied the score. The Phils scored in the top of the 10th but Clyde Kluttz' homer tied it. A single, a sacrifice, a walk and a hit batsman filled the bases and Kraus came to walk Carroll Lockman on four pitches.

Al Hollingsworth allowed Cleveland only six hits as his

mates battered Jim Bagby and his successors for an 8 to 2 victory for the St. Louis Browns. The victory put the Browns and Indians in a tie for sixth place.

Closing time for Sunday Too Late to Classify 4:00 Saturday afternoon. Please remember.
