## CHILD NURSERY SHOWS INCREASE IN ATTENDANCE

Since the start of operation of the Medford War Nursery, 22 Geneva street, on April 1, 1943, a total of 490 children have been cared for at the center, and the daily average registration has increased from 18 to 43 children, according to Mrs. Ethel Tennant, principal.

Designed to provide adequate care for pre-school age children whose mothers are gainfully employed, the organization is a war project, non-sectarian and under supervision of the Medford Public School System. Children eligible for enrollment must be two to six years old and in good health, and extension of age limits and hours of operation beyond the usual 7 a. m. to 6 p. m. are allowed during fruit harvest season from August through December. Mrs. Tennant reports.

No provision is made for care of sick children at the school, and parents must furnish transportation to and from the nursery. Fees are based on a half-day, daily, or weekly basis.

## IRRIGATION PEAK OVER IN VALLEY

Watermaster Clinton Smith reports the peak of the irrigation season has been passed in the valley and with proper care the irrigation season will end better than expected. Farmers are now finishing their second crop of hay and getting ready to irrigate for the third crop. One more heavy irrigation of late pear orchards will be needed, Smith states.

Growers under small stream irrigation and dry land farmers, aided by the May rains procured good crops, the watermaster states. The small stream flow held up better than expected and July thunderstorms in the high hills helped.

**BACKACHE, LEG PAINS MAY BE DANGER SIGN**  
Of Tired Kidneys  
If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.  
The kidneys are Nature's chief way of filtering wastes from the blood. They help most people pass about 3 pints a day.  
If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, leg pains, dizziness, headache, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and disordered bowels. Sometimes there is something wrong with your kidneys or bladder.  
Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the signs of kidney trouble disappear from your system. Get Doan's Pills.
