

Seattle Whacks Portland Lead With 3 To 1 Victory

By United Press
Farmer Hal Turpin and the veteran Ad Liska hooked up in a pitcher's duel Thursday night in Vaughan Street Park and Turpin and the Seattle Rainiers won out 3-1, to cut the Portland Beavers' Pacific Coast baseball league lead to six games.

Down in the middle of the league standings, San Francisco broke a fourth-place tie with an 8-0 victory over Oakland; Sacramento defeated San Diego, 6-2, and Los Angeles bunched all their scoring in three innings to pummel Hollywood, 8-4.

Suds Hold Edge
The Rainiers' victory gave them a 2-1 edge in their current series.

Turpin had Portland shut out until the ninth inning when Frank Shone singled and moved over to third on a double. He scored on an infield out. Seattle drew first blood in the opening stanza on Bob Gorbould's hit, Hal Patchett's double and an infield out.

Patchett's hitting figured in all the Seattle runs. In the third he singled again and promptly stole second and took third on another hit. He came across on a wild throw to the plate.

In the seventh his third single scored Turpin with the final Suds' marker.

Jim Tobin Sold To Detroit Tigers In Surprising Change

New York, Aug. 10—(U.P.)—Jim Tobin brought his tantalizing "crawl ball" to the Detroit Tigers today in an effort to insure them the American League pennant.

Tobin, whose slow-stuff made him one of the most bewildering pitchers in the National League, was waived out surprisingly yesterday by the Boston Braves who seemed to have no further use for him.

Although the big right-hander won 18 games last year, he had failed to round into top form this season and had won only nine while losing 14. However, a change of uniform has helped a number of other players this year and the Tigers gambled \$7,500 that it would help him.

SHIRLEY FRY IN QUARTER-FINALS

Rye, N. Y., Aug. 10—(U.P.)—Spry Shirley Fry, a 17-year-old from Akron, O., who broke through the ranks of the favorites, goes into the quarter-finals of the eastern grass court tennis championships today with a chance to prove that the only upset in 40 matches was no fluke.

Miss Fry moved up in the twilight yesterday with a hard won 7-5, 6-8, 6-2 triumph over seasoned Dorothy May Bundy of Santa Monica, Cal., today she must face Mrs. Sarah Palfrey Cooke of Los Angeles, national women's singles champion in 1941, who is seeking to use the Rye tournament as a springboard for another victory in the blue ribbon classic at Forest Hills, N. Y., later in the month.

DETROIT BEATS BOSTON RED SOX TO RETAIN LEAD

New York, Aug. 10—(U.P.)—The Detroit Tigers, who have been in first place continuously since June 12, had to win to stay up there yesterday, but the manner in which they beat the Boston Red Sox, 11 to 5, at Detroit gave their supporters a lot of encouragement. Generally weakened in their hitting of late, the Bengals battered Red Sox pitchers for 15 safe runs and after successive four-run innings in the third and fourth, had the game salted away.

It was "welcome back" for Manager Joe McCarthy of the Yankees who was greeted with a 3 to 2 victory over the Indians at Cleveland after he returned from a two-week illness. He saw one of his pre-war pitchers, Charley (Red) Ruffing, chalk up his third victory since leaving the army.

Chisox Lose
Washington went after two Chicago pitchers for 14-hits and beat the White Sox, 7 to 2. The climax came in the fifth when five hits produced six runs.

Dodgers Gain Ground
The third place Dodgers gained ground in the national with a twin win to the Reds at Brooklyn, 9 to 2 and 4 to 3.

An ex-teammate slowed down the hot Cubs at Boston where Big Bill Lee pitched the Braves to a 7 to 3 victory, beating Paul Derringer in a battle of veterans.

Cards Near Top
The Cardinals moved within five and a half games of the lead with a 5 to 3 victory over the Giants at New York.

Ken Gables, Pirate rookie, won his seventh game against one defeat at Philadelphia, beating the Phils, 3 to 1, giving up five hits.

Salmon fishing at Gold Beach is fair but steelhead fishing with flies is excellent, according to reports received from Frank D. Colvin. Anglers are getting catches all along the river and fish run from one to six pounds. Colvin said he landed 18 steelhead which he waded on eight Royal Coachman flies. In upper stretches of Rogue river salmon are settling in spawning beds but steelhead fishing is getting good with eggs as best bait.

Crappies and Blue Gills are easily caught at Hiatt Lake while bass fishing is only fair. Big catfish are being taken on worms.

Water at Squaw Lake is still high for good trout fishing but catfish are providing good sport. Roads are said to be rough but passable.

From the few reports drifting in from Four Mile Lake the steelhead are said to be striking fast on a troll but care should be taken in driving car in over the bodd road from Fish Lake.

Trolling is poor at Diamond Lake while bait fishing is only fair. Fly angling is really tops during most of the day, especially in rippling water. Most any dark fly will get results.

Various areas in the county are closed because of the extreme fire hazard. The areas are well posted by the forest service and anyone violating the closure is subject to heavy penalty.

Among streams closed in Jackson county are Jenny Creek on west side of the Oregon-California line to Klamath river. Keene Creek, Beaver Creek and Sampson Creek are all closed. Parts of Butte creek and parts of the north and south forks are also in the closed area. Parts of the south and middle fork of Rogue river, Evans Dam creek, Grove creek, Beaver creek and part of Trail creek and its tributaries are closed to fishing. Sportsmen are advised to check with the forest service if planning a trip to an out-of-the-way stream.

CRATERS TO VIE WITH ASHLAND IN LEAGUE CONTEST

Ashland and Medford, traditional rivals in every sport for many years, will clash in a Southern Oregon league baseball game at the Fairgrounds Park Sunday afternoon, beginning at 2:30. Ashland is still smarting under the 17 to 6 lacing the Craters handed them at Ashland earlier in the season and will be out to erase the blot.

Hopes of the Luthians will depend largely on the effectiveness of Jack Douglas against the Medford club. Douglas has been potent against almost every club he has faced since joining the Ashland aggregation but whether he can outsmart Medford batsmen remains to be seen.

Crater boss Paul Freer has not decided who will oppose Ashland on the rubber but indicates it will be either Dick Fawcett or Dick Kidwell. Jess Van Horn's sore arm is healing rapidly but it is doubtful if he will pitch, if he is not desperately needed.

Central Point travels to Klamath Falls Marines in the only other league game. Butte Falls forfeited to Klamath Naval Air Station.

Commiss to Give Americans Choice For Free Choice

New York, Aug. 10—(U.P.)—The Communist party committed itself today to a program of establishing socialism in the United States "by free choice."

The party's new constitution, published in the Daily Worker yesterday, reversed the program of capital-labor cooperation the Communist Political association followed under the leadership of Earl Browder during the past 19 months.

The constitution has drawn up at the national convention here two weeks ago which reconstituted the Communist party from the Communist Political association. Browder, head of the party for 15 years, earlier had been replaced by a three-man secretariat headed by William Z. Foster.
