

Tomorrow and Sunday - August 11 and 12 - We Present With Pride
The CHAPEL of the ROCKS and ROSES
 On South Oakdale Avenue at King Street in Medford

Here Is the CHAPEL of ROCKS and ROSES

● Medford's new Chapel of the Rocks and Roses is well named, for here petrified native woods of Jackson County, gathered during the past 15 years, blend into the architecture of a lovely chapel of incomparable beauty. Here, too, will be rare roses in abundance surrounding the chapel and planted in profusion in an old-fashioned garden, with pool and wishing well. The Chapel itself has a quiet, friendly atmosphere achieved with rich carpeting and drapes, and lighting with newest indirect cold cathode neon lighting. The Chapel will accommodate 60 persons, or when occasion demands, 150 by opening the adjacent living-room of Rev. and Mrs. Millard. From the comfortable study and office to the library and den in the tower, the Chapel of the Rocks and Roses has beauty and dignity that will delight the people of the Rogue River Valley. Be sure to attend the open house programs Saturday and Sunday and see this lovely chapel.

A Cordial Invitation
 To EVERYONE in the
 ROGUE RIVER VALLEY!

It is with genuine pride that we present to the people of Medford and the Rogue River Valley our lovely new "Chapel of the Rocks and Roses" at Oakdale Avenue and King streets—just across from the Jackson County Courthouse.

We would like to share the opening of this new Chapel with our good friends and neighbors of Southern Oregon, so we've planned delightful entertainment and opportunities for public inspection tomorrow and Sunday.

Saturday at noon we will feature a half-hour open house for members of the Courthouse "family," officials of the Jackson County Chamber of Commerce and the City of Medford as well as the Press. From 2:00 to 5:00 the general public is cordially invited to be our guests. At 8:00 p. m. we will share our own 10th wedding anniversary with all of the couples married by Rev. Millard. An appropriate service has been planned.

Sunday, at 10:45 a. m., a dedicatory service will be held in our beautiful Chapel, with an address "The Radio of the Soul" by Rev. D. E. Millard. From 2:00 p. m. to 5:00 p. m. the public is again invited to enjoy a three-hour open house inspection of our Chapel. At 8:00 p. m. Sunday the doors of the Chapel of the Rocks and Roses again swing wide to the public for a special Sunday musical concert, featuring an all-teacher orchestra and other outstanding musical treats.

We most cordially invite our friends to visit this lovely chapel and enjoy the splendid dedicatory programs we have prepared for this occasion.

Cordially yours,
 REV. and MRS. D. E. MILLARD.
