

## Chicago Mauls Dodgers As Cards Fail Against Phils

New York, Aug. 16—(U.P.)—Failure of the St. Louis Cardinals to win consistently from teams that are pushovers for the rest of the league probably will cost them their fourth straight pennant.

Last night, for example, they had a fine opportunity to gain on the Cubs in a double header against the forlorn Phillies. All the Cards could manage to do was to split, leaving them with a net loss of a half game against the Cubs, who maulled the Dodgers at Brooklyn, 20 to 6.

**Cards Shaky**  
The Cards were shaky in losing the opener at Philadelphia, 8 to 5, yielding five runs in the fifth on just one hit. Rookie Glenn Gardner saved the night by pitching a three-hit, 7 to 0, shutout in the second game for his first big league triumph.

The Cubs made 19 hits, including four homers, in their rout of the Dodgers. Paul Gillespie got two of the homers, one with the bases filled, while Helms Becker and Andy Patko got the others. Hank Borowy scored his third National league victory against one defeat.

The Pirates won two at New York, 11 to 9 and 3 to 2, to move within a game of the first division.

**Holmes Tops Batters**  
Tommy Holmes took over the major league home run lead, hitting two to make his total 20 as the Braves beat Cincinnati twice at Boston, 10 to 5 and 13 to 3. Homers were key blows in both games as Cincinnati's losing streak was extended to 13 games.

Emil (Dutch) Leonard maintained his mastery over the Tigers, beating them for the fourth straight time, 8 to 0, at Detroit to put Washington within two and a half games of the lead.

**Chisox Win**  
The White Sox got fine pitching from Bill Dietrich and Orval Grove to beat the Red Sox at Chicago, 5 to 1 and 11 to 0.

Steve Gromek won his 15th game as Cleveland Indians topped the visiting Athletics, 8 to 3.

The Browns sent the reeling Yankees into the second division with a 10 to 4 defeat, the sixth in a row for the New Yorkers. The Browns made 15 hits, handing

Charley Ruffing his first loss since returning from military duty.

## ANTELOPE TAG REQUESTS DUE BY AUGUST 20

Portland, Aug. 16—Application for antelope tags should be sent in by August 20 to the Oregon State Game Commission at 616 Oregon Building, Portland 4, in order to be included in the drawing if one is necessary. Only 800 tags have been authorized, and a drawing will be held if the applications exceed that number on August 20.

The antelope season will be open from September 22 to 30, inclusive, in all counties having antelope. However, no hunting will be allowed this year in the same two areas closed last season, the Drakes Flat area and the Millican Fort Rock-Wagon-tire area.

Applications for the 800 deer tags to be sold for the Fort Rock-Silver Lake area for a post season shoot from December 1 to 5, inclusive, will be held until October 29, after which a drawing will be held if the number of applications exceeds 800.

Applicants are requested not to send money for special tags at this time. Successful applicants will be notified to remit after the drawings are held.

## 'STOP NELSON' IS TOURNEY CRY

Memphis, Tenn., Aug. 16—(U.P.)—The "Stop Byron Nelson" brigade took to the southland today in an effort to halt the greatest winning streak that golf has ever known, but the odds were short that the tireless Texan would go right on winning.

Already victorious in 10 straight major tournaments under sponsorship of the Professional Golfers Association, Nelson was a top-heavy favorite to win the big money in the \$13,333 war bond prizes in the Memphis invitational open.

Nelson's toughest competition was expected from Sammy Snead of Hot Springs, Va., and Harold McSpaden of Sanford, Me.

Only top flight pros not competing were Sammy Byrd of Detroit and Craig Wood of Mamaronock, N. Y.

The first cook book published in America was printed at Williamsburg, Va., in 1742. It was entitled, "Compleat Housewife, or Accomplish'd Gentlewoman's Companion."

## UMPIRE PROTEST STIRS MEETING OF BIG LEAGUES

Washington, Aug. 16—(U.P.)—The major league meeting to work out plans for returning veterans became involved today in an unexpected complication, the protest of an umpire, who charges he was fired because he sought to get salary increases for his associates.

The umpire, Ernie Stewart, youngest arbiter in the American league, said he held conferences with Baseball Commissioner A. B. (Happy) Chandler over "dissatisfaction" among umpires over salaries paid.

Chandler, he said, suggested that he make a survey of salaries and report back to him.

League President William Harridge found out about his investigation, Stewart said, and ordered him dismissed.

Meanwhile, the post-war committee of major and minor league officials recommended that players now in military service be eligible to play in the world series if their team wins the pennant provided they return between now and the end of the regular season. The recommendation will be submitted to full vote of the major and minor leagues for adoption by resolution, which is expected without dissent.

Chandler said the question of whether the world series will be played wasn't brought up because it was a foregone conclusion that such was the case.

The recommendations regarding the world series also will apply to the post-season minor league playoffs.

## OAKLAND POUNDS PORTLAND 10-2

By United Press  
Portland went down to a 10 to 2 defeat Wednesday night before a 16-hit onslaught by the Oakland Aacorns as Seattle, second to the Beavers in Coast League standings, broke even by splitting a double header with Los Angeles, 2 to 4 and 10 to 5.

Sacramento beat Hollywood 4 to 1 in their contest, to take the second game in the current series, while San Francisco evened its series with San Diego with a 3 to 2 victory.

Portland used three pitchers, Tising, Leon and Gunnarson, in an attempt to halt Oakland but the Aacorns calmly added up their imposing score by making one each in the second and fourth, three in the fifth, two in the sixth and three in the eighth.

## Plane Plants and Shipyards To Furnish Most Unemployed

Washington, Aug. 16—(U.P.)—The war manpower commission today told where the 6,000,000 unemployed it expects by December, are coming from.

Here is the expected employment drop by industries from last July to next December.

Aircraft: 1,300,000 to 200,000. Shipyards: 1,100,000 to 500,000. Ordnance plants: 1,100,000 to 100,000. Federal war agencies: 1,600,000 to 1,200,000.

Metal-chemical-rubber products industries (munitions): 7,900,000 to 4,100,000. Within two months WMC said,

the situation will look like this: Major war industries will be releasing 2,500,000 workers with the total displacement of war workers from all industries totaling between 3,500,000 and 4,000,000.

Aircraft plants will release almost 1,000,000 workers; ordnance plants, 700,000; and shipyards, 350,000.

Other relatively minor cutbacks, such as the dropping of 25,000 aluminum workers, should total 200,000.

WMC said Los Angeles and Detroit will be hit heaviest with 120,000 aircraft workers expected to be released in each area.

## Careless Japanese Credited in Saving Lieutenant's Life

Tulsa, Okla.—(U.P.)—The son of former Oklahoma House Speaker Johnson D. Hill is alive today to tell of his experience with a careless Japanese. The story was learned here by Hill from his son, Lt. J. D. Hill, Jr., now in Letterman hospital in San Francisco, Cal.

Hill, who is recuperating from a shell wound, was a platoon leader of the 27th infantry (New York) division and was hit on his second day in combat on the bloody Ryukyus islands.

"The carelessness of a Japanese saved my life," young Hill said. "A mortar shell hit me squarely in the back, but luckily the gunner had failed to pull the safety pin and the projectile did not explode."

Hill worked on the Sacramento, Cal., Bee newspaper before he enlisted in 1942. He earned a commission in the coast artillery, but later was assigned to the infantry.

Besides Hill's parents, his wife and small son live in Tulsa.
