

By Nelson Trails in First Round of Memphis Open

Memphis, Tenn., Aug. 17—(U.P.) Golf's "trust-busters" out to break up the Byron Nelson monopoly, were off to a good start today. Two players were ahead of him and five others equal after a blazing first round display of sub-par golf in the \$13,333 Memphis open.

Out in front were Harold (Jug) McSpaden of Sanford, Me., and Bob Cochran, the amateur veteran from St. Louis, Mo., each with four under par 68's.

Next were Nelson with a 69 and the five players he couldn't shake, Leonard Dodson of Kansas City, Mo., George Low of Clearwater, Fla., Morris Gravatt of Mobile, Ala., Gib Sellers of Hot Springs, Ark., and Jimmie Hines of Chicago.

Nelson played steady golf all the way around and seldom was in trouble. Seeking his 11th straight tournament victory, opponents were mindful that he usually is at his best in the later rounds when he is forced to bear down.

Five players were tied with two-under par 70's. They were Sammy Sneed of Hot Springs, Va., Vic Ghezzi of Deal, N. J., Mike Demassey of Lookout Mountain, Tenn., and Leonard Ott of Joplin, Mo.

Pro Virgil Shreeve of San Francisco shot an even par 72.

Titan Hanover King Of Harness Horses; Breaks Two Records

Saratoga Springs, N. Y., Aug. 17—(U.P.)—Titan Hanover, making his mark in the dust of the Saratoga raceway, was the all-time three-year-old king of the harness horses today.

The recent winner of the Hambletonian set a world record for three-year-olds last night when he ran the mile in 2:03 flat, then equalled it later by winning the second heat in exactly the same time.

He also beat the world two-heat record for a mile for horses of all ages, a mark previously held by Spencer Scott. He also knocked four and three-quarter seconds from the previous mark of Darnley, which held the two-heat mark for three-year-olds.

HAGG LOSES EDGE

Stockholm, Aug. 17—(U.P.)—Gunder Hagg appeared today to have lost the fine edge which enabled him to set a new world mile record earlier in the summer. Seeking to top his own two-mile mark of 8:42.8 at Boraas stadium yesterday, he ran the distance in the comparative slow time of 9:02.8.

Closing time for Classified Ads 8:30 a. m.—Too Late to Classify 12:15 p. m.

ROACH MINNOWS ARE DISCOVERED IN COUNTY LAKES

Roach minnows, similar to chubs, which are common in Klamath county, have been discovered by the Oregon State Game commission in Diamond lake and in Fish lake near Mt. McLaughlin.

Such roach are now from two to three inches long and are one or two years old. At maturity the fish will become six to seven inches long.

The presence of roach in Twin lakes south of Bend, made the poisoning of these lakes necessary and such is very expensive and difficult, the commission stated. Such fish are very hard to control and reproduce so fast that they become extremely numerous and they compete directly with trout for food and will deplete the available supply.

Placed By Fishermen
Roach in Diamond lake and Fish lake must have been placed in these lakes by fishermen who unwisely brought the minnows to the lakes to be used as live bait. After completing their fishing, the fishermen, perhaps in ignorance, released in the lakes the roach they had left over from their fishing, the commission surmises.

Oregon law prohibits the placing in or transporting to any lake or stream of any non-native or non-resident fish. Besides roach, in some other streams and lakes in Oregon, perch, bass and crappies have been illegally placed and have ruined the trout fishing in such streams or lakes.

"GRAND OLD MAN" IN 56TH COACHING YEAR

Stockton, Cal., Aug. 17—(U.P.)—Amos Alonzo Stagg said today he still had no thought of retiring in his 13th year as football coach of the College of the Pacific.

Football's "Grand Old Man" who was 83 yesterday, is in his 56th year of coaching in the east, middle west and Pacific coast.

NEVADA BASE OUT

Wichita, Kan., Aug. 17—(U.P.)—William Field, Ariz., eliminated the Las Vegas, Nev., army Air Base entry in the national semi-pro baseball tournament last night, 9 to 4.

CRATERS, STUDS GRUDGE CONTEST REACHING PEAK

Considerable interest is developing in the grudge baseball game between Medford Craters and Central Point Studs which has been scheduled for the Farringtons park Sunday, beginning with a preliminary at 1:30 p. m. Orphans and Girls Community club, both members of the girls softball league, will meet in the 1:30 half of the double header.

Crater Manager Paul Freer and Studs Manager Bill Freer are reported to have wagered \$50 on the game's outcome, so bitter is the feud which has arisen between the clubs over the past few weeks. The controversy over which has the better team has also caused some debate between players and other smaller wagers are expected to be placed before game time.

Askwith, backed up by his players, charges poor umpiring has resulted in bad deals for the Studs and his only stipulation for the game was a "square deal." Freer said his statement, made earlier in the season, that he would rather beat Central Point than any other team in the state of Oregon, still holds true and points to Medford's three straight victories over the Studs as proof that the Craters can do it again.

Jess Van Horn, former semi-pro pitcher from Yakima, will get the starting call for the mound if his sore arm is in shape. If he is not able to go, Dick Kidwell will probably start. Remainder of the starting lineup for the Craters will be the same as in past games with George Gitzen doing the receiving, Homer Sullivan on first base, Fred Stammen at the key-stone spot, Harold Lange at third base, Al Kircher at short stop and Paul (Hoosier) Heffard in right field, Carl Reich in center and either Herb Burnham, Dick Fawcett or Steve Crippen in left field.

Diamond lake is fair on troll and good on bait fishing. Some enthusiasts are having success with flies. On an average, few fish were reported caught at the lake last week although a vast number of anglers tried their luck.

ARMY-NOTRE DAME CLASSIC SOLD OUT

South Bend, Ind., Aug. 16—(U.P.)—The Army-Notre Dame football game, to be played in New York City Nov. 10, was sold out on Aug. 7, the Athletic Association of the two schools jointly announced today.

An earlier announcement of the sellout, the earliest in the history of the 32-year-old series, was impossible, the Notre Dame Athletic Association said, because of the avalanche of mail which flooded the two schools. Ticket sales opened Aug. 1 and in one week all seats were gone.

NAVY MEN SPORT MANY UNEARNED DECORATIONS

San Francisco, Aug. 17—(U.P.)—The 12th naval district today warned naval personnel not to wear unauthorized commendation ribbons, a practice it said is prevalent on the west coast.

Rickenbacker, America's famed "speed-boy" of land and air in two world wars, who also is head of Eastern Airlines, said there seemed little doubt that the present mark of 117.2 miles per hour set in 1938 would be surpassed.

"New developments, such as jet propulsion, gas turbines, and many other things we've learned during the war will be put to use in the race," Rickenbacker said.

He made his announcement shortly after the Office of Defense Transportation lifted the war-time restrictions imposed on automobile racing.

At Indianapolis, Wilbur Shaw, a three-time winner of the classic, said that he had his own car "ready to go."

Mailing of gasoline rationing is expected to see a multitude of fishermen flocking to streams and lakes over the week-end. Reports sent to Al Piche and relayed to this column say salmon are being taken at Gold Beach with a run of steelhead entering the river.

A few spots in Rogue river have yielded good fishing over the past week with a stretch between Dodge and Bybee bridges providing steelhead and jack salmon, taking most any fly. Eggs and small spinners are catching plenty of fish between the mouth of Little Butte creek and the Military bridge.

Anglers who fished Four Mile lake over the past week claim fishing is fair with silversides averaging about 12 inches being taken but the road is in such rough condition that it is more than a one-day trip.

Big Applegate has been fair on flies far up stream but the water is exceptionally clear, making it necessary for the angler to fish far ahead.

Big Butte creek is reported very good by Butte Falls fishermen and fish are taking flies and small spinners. Illinois Falls is not yet ready but promises some lively fishing in the fall.

YANKEES PLACE PENNANT HOPES ON DISCHARGES

New York, Aug. 17—(U.P.)—Maybe the Yankees won't have to wait until next year.

Talking pennant with the team involved in its longest losing streak of the season, seven straight games, sounds like something out of the hat, but with quick assistance from Uncle Sam it could be.

Charley Keller has swapped his merchant marine ensign's uniform for baseball flannels and may take over in the outfield by Sunday. Joe DiMaggio is expected to get his release from the army any day now. Those pre-war sluggers, comprising the most powerful one-two punch of any major league club might make the difference with six weeks of the season remaining.

But the help will have to be forthcoming in a hurry. That was evident at St. Louis last night as the Browns came from behind to win, 7 to 2.

Washington Stopped
Hal Newhouser of the Tigers was an ample antidote for Emil (Dutch) Leonard of the Senators in the "crucial series" at Detroit. Newhouser beat Washington for his 11th straight win, 9 to 2, to gain his 19th win of the season and put Detroit three and a half games in front.

Dave Ferriss of the Red Sox made his first night game start and didn't like it. Trying for his 20th victory against the White Sox at Chicago, the big rookie was hammered for 12 hits before going out in the fifth and he was the loser, 11 to 3. It was his sixth defeat.

The Indians topped Philadelphia 7 to 6, at Cleveland with a run in the ninth produced by Dutch Meyer's single.

Chicago Lead Cut
Chicago's National league lead was reduced to five games at Brooklyn when the Dodgers evened the series with a 2 to 1 victory.

Ken Burkhardt's two-hit pitching gave the Cardinals a 4 to 0 victory at Philadelphia.

Cincinnati snapped its 13-game losing streak with a twin win at Boston, 5 to 3.

Ace Adams saved Van Lingle Mungo's 2 to 1 Giant victory over the Pirates at New York by retiring the side with the bases filled in the ninth. A homer in the fourth stopped Elwyn Roe's string of scoreless innings at 22-2-3.

PORTLAND EKES OUT TWIN WINS

Portland eked out two 1 to 0 victories in its doubleheader with Oakland Thursday night to bolster a scanty lead in the Pacific Coast league to 6½ games over second-place Seattle.

The Rainiers, meanwhile dropped a game to Los Angeles by a disastrous 14 to 1 score, San Francisco nosed out San Diego 6 to 5 and Sacramento played 11 innings to defeat Hollywood, 10 to 9.

Portland broke a 10-inning scoreless deadlock in the first game to come out on top. Larry Barton's double to center and an intentional walk given to Glen Crawford set the stage for Frank Demaree's tallying single. Beaver hurler Sid Cohen allowed the Oaks but five hits, collecting his 10th victory.

In the nightcap Wandell Mosser held the Acorns to two hits
