Now We Can RECAP Your Passenger Car Tires With GRADE A TRUCK RUBBER

Every driver has seen those heavy trucks rumbling down the road with their big heavy loads. You know that truck tires take a terrific beating from the hard grinding wear. Naturally, the rubber to stand that abuse must be especially compounded to be extra tough—extra long wearing.

We can NOW recap the tires of A, B and C card holders with Grade A Truck Rubber—guaranteed to be exactly the same rubber used in recapping the big truck and bus tires. Its extra toughness on your tires means 3,000 to 5,000 miles of extra wear over recaps of ordinary rubber.

BUD McCUNE WINS DAIRY HONOR AT DISTRICT 4-H FAIR

Bud McCune of Eagle Point livestock club was crowned champion dairy showman, at the annual Eagle Point-Reese Creek Four-H club fair held last Thursday at the Reese Creek school, with 100 persons attending. Second place was won by Barbara Powell, and third honors by Helen Harnish, both of the Eagle Point club.

In the same contest, visitors group, No. 1, Clara Mae Bigham, Antelope, was first; Phyllis Cahill, Antelope, second, and Ann Padgiam, Roxy Ann, third.

Group 2 winners were: Wayne Smith, Table Rock, first; Betty Robertson, Talent, second; and Richard Bile, Sams Valley, third. Ralph Humphrey, Reese Creek, carried off top honors in the beef showmanship contest, with Joan Conner and Thora Millard, second and third, all of the Reese Creek club.

For visitors, Clara Mae Bigham, who was awarded the beef showmanship championship at the Antelope district fair the week previous, repeated her performance. Bernice Bigham was second, and Walter Cahill, third, also of the Antelope club.

Thora Millard, Reese Creek, was first in the beef fitting contest, with Ralph Humphrey, also of Reese, second.

Visiting Four-H club members competing, used the livestock of the host club members.

BRONZE STAR TO SGT. DOLPH GUYER

For heroic achievement against the enemy at Luzon, Philippine Islands, on Feb. 5, 1945, the bronze star has been awarded to Sgt. Dolph W. Guyer of the army infantry, according to word received here by his parents, Mr. and Mrs. Roy Guyer of 319 Portland avenue. Guyer entered the army before Pearl Harbor, and has been overseas over two years. His wife and son live at Arcadia, Calif.

The citation accompanying the award states: "During fighting in Chinatown in Manila, an infantry company was surrounded on three sides by fires set by Japanese, and the enemy were employing mortar, machine gun, and rifle fire in an effort to annihilate the trapped men. Heavy casualties had been inflicted, and it was imperative that they be evacuated as quickly as possible because the fires were closing in."

"Sgt. Guyer made four trips into the flaming area as he assisted two of his comrades and helped carry three others from the trapped fort. As he went through charred rubble and climbed over paving block barricades, Sgt. Guyer was constantly subjected to intense enemy fire. His ac-

Horace Green Back, Built Eleanor's Hut

Horace A. Green, former technical sergeant in the army amphibious engineers, arrived in the city August 15 after serving 31 months in the Pacific theater. Most of this time was spent in Australia, New Guinea, New Britain, and Luzon in the Philippines. One of his most unusual assignments, aside from the regular construction of ships and bridges and roads, was the construction of quarters for Eleanor Roosevelt, during her seven-hour stop on one of the islands. He is the son of Mr. and Mrs. W. D. Green, 1014 West Tenth, in Medford, and prior to his entering the army, he was employed by the Monarch Seed & Feed.

Ration-Free Shoe Sale Date Changed

A change in date on the OPA ration-free shoe sale period was reported today by the district office. The release began Friday, Aug. 17, instead of Aug. 27 as originally planned, and will end Saturday, Sept. 29 rather than Oct. 13. The change was made to allow dealers to sell out large stocks of summer footwear.

Special approval from the district office is not needed for dealers to sell men's and women's shoes included in the release, but OPA requires that no children's shoes be included and retail price must not exceed \$3.50.

KNIFE AND FORK CLUB MEMBERSHIP LIST INCREASES

Over 50 charter members had been recorded in the local Knife and Fork club organization upon the return Friday of E. E. Schlotz, executive field director for the Associated Clubs, from Denver. He indicated this response is such that ballots for nine directors will be sent out the first of the week to all members of record.

The directors elect their officers from their own number, including a president, one or more vice-presidents, and a secretary-treasurer. The office of secretary-treasurer is permitted filled outside the directorate. Directors serve on a basis of one-third retiring each year in most of the clubs.

Discussing the possibility for first speaker, Schlotz stated negotiations to bring either his imperial highness, Archduke Felix of Austria, or Pierre Clemencau, grandson of the "Tiger of France," here.

Schlotz stated a sampling of choice locally from both men and women, who are interested in the organization gave Archduke Felix an edge in popular appeal, so he hopes that selection can be formally announced

in the near future. Other speakers, who will total seven in all the first year, will be announced from time to time.

Employment Bureau Service Available

Lewis Ulrich, manager of the local United States Employment Service, announced today that all War Manpower commission manpower controls have been discontinued and the facilities of the U. S. Employment Service are again available to all employers, including those for whom services were restricted because of war requirements.

"Many returning veterans are contacting the local U. S. E. S. office," Ulrich said, "and it is suggested that employers in need of qualified workers place their orders with the local office at 45 North Fir street, phone 3343."

Josephine County Will Have School Building Program

Josephine county school budget for the ensuing school year was passed Thursday following a school election. The budget, which was placed before the people because of a new county unit system which exceeded the six per cent limitation, includes amounts to cover the building of an eight-room school at Kerby and an extension of three class rooms and large gymnasium and auditorium at Jerome Prairie school.

A meeting of the school board will be held Monday in Grants Pass court house to decide on the immediate course of action concerning the budget, according to William Laing, local architect, who has drawn up plans for the new buildings.

E. J. Waddell On Europe USO Tour

E. J. Waddell, son of Mrs. A. Waddell, Bear Creek Orchards, recently wrote of an interesting trip across the Atlantic ocean with a USO unit, with which he and his wife are aerobats. The letter was written when sailing through the Mediterranean and told of the scenic beauty along

the shores of the sea. A graduate of Medford high school, Waddell signed with the USO unit on July 1 for a six months tour.
