

LEGION TO ALTER ELIGIBILITY RULE

Indianapolis, Aug. 18—(U.P.)—The American Legion, opening a drive to enroll thousands of World War II veterans, announced today that eligibility rules would be changed to permit all service men to become members as soon as the war officially has ended.

Previously, only discharged veterans could join the Legion. National Commander Edward N. Scheiberling predicted that World War II service men would "take the Legion over," outnumbering World War I members four to one.

He said the new members could alter the charter to allow more political activity if they wished.

Present national membership figures in the Legion include 1,200,000 World War I veterans and approximately 500,000 World War II veterans.

6 Napoleonic Flags Returned to France

Paris, Aug. 18—(U.P.)—Six Napoleonic flags which the Germans captured in the Franco-Prussian war and failed to give back under the Versailles treaty were returned to France today by Gen. George S. Patton in ceremonies in the flag room of Les Invalides museum.

The flags were recovered by Patton's Third Army Bavarian campaign.

The general was without his pearl-handled pistols but wore a varnished helmet.

NEWSPRINT HOPE
Toronto, Aug. 18—(U.P.)—The Toronto Financial Post will say tomorrow that Canadian paper mills may be able to make a "modest" increase in shipments of newsprint to the United States in the last quarter of this year.

6,700 EUROPEAN MEN TO EMBARK

Caserta, Italy, Aug. 18—(U.P.)—Redeployment officials said today that 6,700 American troops who have the highest number of adjusted credit rating points will be called into Mediterranean theater replacement depots immediately to be shipped to the United States this month.

Except for troops declared essential in the occupation as specialists, all men with 100 or more points will be included in the shipments.

If these troops fail to fill the quota, redeployment officials will fill the number from 95-pointers and up. Eight per cent of the 6,700 will be officers.

Truman to Host Chiefs of Staff

Washington, Aug. 18—(U.P.)—President Harry S. Truman will be host at a White House dinner tonight for the combined chiefs of staff, many of whom will leave soon for their home countries.

White House Press Secretary Charles G. Ross said that the president's guests would include also Secretary of State James F. Byrnes, Secretary of War Henry L. Stimson and Secretary of the Navy James V. Forrestal.

No Early Lifting Newsprint Ration

Washington, Aug. 18—(U.P.)—A War Production Board official said today that there are no immediate prospects for lifting restrictions on newsprint.

The restrictions will be among the 30 or 40 orders that will be retained after WPB revokes some 360 industrial regulations in the next day or two.

CYCLIST COMPLETES 9315-MILE JOURNEY

Portland, Ore., Aug. 18—(U.P.)—Sun and wind-burned but smiling, Margaret Stovall is home today after completing a 9,315-mile bicycle trip she started in March, 1944.

She left Portland in March, 1944, after being rejected by the WACS because of a leg injury.

She arrived at her destination, Portland, Me., on Aug. 14.

London, Aug. 18—(U.P.)—There will be absolutely no press censorship when Hermann Goering and other accused Nazi war criminals go on trial for their lives in Nuremberg next month, regardless of what embarrassing diplomatic secrets Hitler's fallen aides may reveal.

If you need a Truck

• The War Production Board has authorized the manufacture of certain types of trucks for essential civilian use. Assigned to Mack are models ranging from 15,000 pounds gross vehicle weight up to the largest off-highway vehicle.

• If you are eligible for a new truck, we'll gladly show you how to get the priority you need for one of America's top trucks.
