

# Newhouser Chalks Up 20th Game For Detroit Bengals

New York, Aug. 21—(U.P.)—The Hal Newhouser "express" was exactly on schedule today, winging along toward the best two-year record for any major league pitcher since Dizzy Dean's peak years of 1934 and 1935.

Newhouser, the American league's most valuable player last season, finished with 29 victories and nine losses for the Tigers. This year, with Detroit favored to win the pennant, he has won 20 and lost seven to date, which is the identical record he possessed on Aug. 21, 1944.

Yesterday he won his fifth shutout of the year, a 4 to 0 job on the visiting Athletics, who were humbled twice. Les Mueller beat them, 4 to 1, with a four-hitter in the second game. Newhouser was the first major league pitcher to hit the 20-victory mark this season, and unless he cracks up in the waning weeks, should come close to his 1944 total.

**Senators Stay Close**  
The Washington Senators remained a game and a half behind the Tigers by winning two at Cleveland. Marino Pieretti pitched a three-hit shutout to win the opener, 7 to 0, and Alex Carrasquel hurled a 6 to 0 seven-hitter in the second game.

**Giants Halt Cubs**  
Chicago's lead in the National was reduced to six and a half games when the Giants beat Cub Hank Wyse, 9 to 3, at New York. It was the second straight defeat for Wyse, league leading pitcher with a record of 18-8.

# OREGON COACHES SEE AIR TRAVEL FOR BALL GAMES

Portland, Ore., Aug. 21—(U.P.) A new era in athletics where teams will be flown across country and even over the oceans for games was envisioned today by the University of Oregon's two outstanding coaches, G. A. (Tex) Oliver and Howard Hobson.

Both coaches are just returned from service coaching. Oliver to pick up the football chores where he left off three years ago and Hobson to resume his basketball duties.

Speaking to a Portland audience, they said plans are underway to fly football and basketball teams from the west coast to New York's Madison Square Garden, to Honolulu and probably eventually to British and European schools, which could be included in collegiate athletic schedules.

# ANGELS INVADE PORTLAND LAIR; SUDS VS. OAKS

(By United Press)  
Manager Bill Sweeney's Los Angeles Angels, defending champions—fading inexorably back into the also-rans—will take an underdog stand against the title-hungry Portland Beavers this week in their Pacific Coast league series.

The Angels will meet the top dogs in the north city, odds-on favorites to lose. The two-time pennant holders were chosen at the season's start to cop the flag, but the Irish manager evidently needs ball players to win ball games.

Other games on the week's agenda pit runner-up Seattle against the tough Oakland A's, straight from a 4-4 stand-off with Portland last week, while Sacramento comes to San Francisco, and San Diego visits Hollywood.
