EMINENT SPECIALIST KEEPS IN CHARACTER

A year ago I had nephrectomy because of a large stone. The kidney was removed by an eminent specialist. Afterwards he told me never to drink a ny more milk or eat any more milk products — in other words, to avoid calcium rich foods. This I did for months. However, our family physician says it is a mistake to go back to drinking milk, but don't want to endanger my remaining kidney. . . . Maybe this is a foolish question. . . . (L.C.A.)

Mrs. Byron Ward, daughter, Mrs. Norma Lee White, and daughter Nancy of Medford visited Saturday, Aug. 25, with Mrs. Ward's mother, Mrs. Dan Biles.
