MCCARTHY EYES SERVICEMEN TO BOLSTER YANKS

New York, Aug. 31—(U.P.)—Happy days are here again for Manager Joe McCarthy, who who tried to resign a month ago because of illness probably brought on by the antics of the worst New York team he ever bossed.

Things are different today. Returning servicemen have bolstered the weak spots and restored the team morale with a winning campaign that has put the club back into the first division in fourth place, just five and a half games out of the lead.

Spud Chandler Due
McCarthy was beaming over the prospect of using Spurgeon (Spud) Chandler, the best pitcher in the American League in 1943. He will return to the club after his army release Sept. 12 in time for the clutch stages of the campaign.

News of Chandler's impending return came right after young Floyd Bevens turned in the best pitching job of his career yesterday, a one-hit 7 to 1 victory over the Red Sox at Dave Ferris. Bevens gained his 12th victory with the fifth one-hitter pitched in the American League this season. He started the seventh with a walk and after two force plays, Bob Johnson doubled to score Boston's only run. It was the fourth straight Yankee win over Ferris.

Two Circuit Clouts
Charley Keller and Frankie Crosetti hit Yankee homers. Crosetti got his with two on base. It was Keller's first homer since his return from the maritime service.

The leading Cubs in the National, who start a series with the Cardinals at St. Louis tonight, lost at Pittsburgh, 6 to 4. The Pirates scored thrice in the seventh on Al Gionfriddo's triple and Frank Gustine's two run single to beat relief pitcher Hank Erickson. Stan Hack of the Cubs got a consolation prize, his 2,000th major league hit in the first inning when Chicago made two runs.

In the only other major league game yesterday, the Indians and White Sox played to a 4 to 4 tie at Chicago. The game was called in the ninth to permit the Indians to catch a train. The Indians tied the score in the first of the ninth on a two run homer by Don Ross.

ROUND UP BOYS
Eldora, Ia., Aug. 31—(U.P.)—Iowa state guardsmen were called out today to help round up 43 escaped inmates of the state training school for boys.

BEVOS BOLSTER LEAD WITH WIN OVER SAN DIEGO

Portland bolstered its sagging lead in the Pacific Coast league standings by 2½ games Thursday night by downing San Diego 6 to 1, while Seattle whose threat to oust the Beavers from top spot has been in dead earnest, was defeated by Sacramento, 5 to 4.

San Francisco's grip on third place was loosened a little by the loss of its game to Los Angeles, 3 to 1, and the cellar-dwelling Hollywood Stars gave their bootstraps a tug to triumph over Oakland 5 to 2.

Bill Mosser pitched hitless ball for seven and two-thirds innings from the Portland mound, with Dick Gyselman getting the first hit. Bob Boken got the other Padre blow. The Beavers nipped San Diego's Jim Brillhart for a single run in the third and fifth and two each in the seventh and ninth. Portland has two games and San Diego one in the series.

Sacramento came from behind in the last of the ninth to drive in two runs and beat Seattle. Jeff Landrum's double did the trick. Joe Vivaldi, the Solons' rookie righthander from Long Beach, gave Sacramento its first win of the series after three defeats.

Chet Johnson, southpaw owned by the St. Louis Browns, was the losing pitcher for the Rainiers.

PACKERS TROUCE ALL-STARS, 19-7

Chicago, Aug. 31—(U.P.)—Coach Bernie Bierman, builder of invincible Minnesota teams, watched Don Hutson shatter all his theories last night when the jitter-foot and scored 11 points to spark the Green Bay Packers to a 19 to 7 victory over Bierman's college All-Stars.

Hutson was not to be stopped. Now 32, he said the All-Star game would be his farewell performance, so he set out to show the collegiate "youngsters" how a great player plays his favorite game.

And before 92,753 fans at Soldier Field, the Green Bay "thin man" proved once again he is the greatest offensive threat the gridiron has ever known. He scampered 85 yards to a touchdown which was the deciding factor and he also kicked a field goal and two conversions to give the National Football League champions their second victory in the 12-year history of the colorful pre-season grid classic.

During 173 combat days in Italy, the 916th Field Artillery battalion fired more than 134,000 rounds of 105-mm Army Ordnance ammunition.

Fishing in Rogue river the past week has greatly improved according to reports reaching us from Al Piche. Best water in upstream from Trail to about three miles above McCloud where the water is cooler and clearer. Spinners have netted the white angler a few late salmon while eggs and light six foot leaders have made big catches of trout and steel-heads.

Earl Yoakley hooked a nice steelhead at the Elks Picnic grounds last Sunday. He fought the fish, which appeared to be a conservative two and a half feet in length, for 30 minutes before turning the pole over to his pal, Ray Frisbie. Ray battled the wily fish for 20 minutes and gave the pole back to Yoakley. A few minutes later Earl says his leader snapped and he lost fish, tackle and all. He said he is going back Sunday and even the score with the fish if it is still thereabouts.

Hiatt Lake is now at its peak with limit catches of crappies being made on a plain hook with red yarn, or a spinner with fly attached. Some large bass are caught on the right side, in the cove at the upper end of the lake. Large catfish can be taken on worms while still fishing.

Catfish and large land lock trout or rainbows are being caught every day at Emigrant Lake. Best results are obtained by driving in on the west side of the lake up to the point and fish the cove and shore line down to the dam.

All small streams are yielding limited catches of small sized fish with single eggs. Occasionally some are caught on spinners.

Anglers who plan a trek to the ocean over the Labor Day

holiday are advised to take their equipment along for salt water fishing is now reported at its best with sea perch being taken easily on clam necks. A large run of salmon is expected any day in the mouth of the Klamath river. Cutthroats are striking on bait in the Chetco river.

HIGHER JOBLESS PAY PLEA FOUGHT

Washington, Aug. 31—(U.P.)—President Truman's appeal for higher unemployment benefits appeared to be running into serious trouble in the house ways and means committee today.

Sharply critical sentiment was evident among a number of committee members and to a lesser extent in the senate finance committee as the two groups resumed hearings on the administration bill. The senate committee expected to hear opposition testimony from Gov. Edward Martin of Pennsylvania and representatives of seven state unemployment compensation commissions.

FREER RELEASES PROBABLE LINEUP FOR WARRIORS GO

Paul Freer, who will manage the Southern Oregon All-Stars when they play the Fort Lewis Warriors baseball team at the Fairgrounds park Monday night, said today that he was undecided who would definitely start in his lineup.

He said he will probably start Pat Patterson, Klamath Falls Navy speed ball artist, on the mound with "Bo" Bogarski of the Marines receiving, Jack Brannham of the Leathernecks on first base; Brown, Navy, at second; Middle, Navy, on third base; Busch, Marines, at short stop; Gaston, Navy, in left field; Slimak, Marines, in central field, and Paul (Hoosier) Hoffer, Craters, in the right pasture. There may be several last minute shifts in the lineup, Freer said.

The Warriors boast a number of major league stars who are on leave of absence from their clubs while in the army and have won 100 games with but one loss. They have licked every Pacific Coast league club to play them this year as well as the best semi-pro outfits on the coast.

The Craters and Central Point Studs will square off at the Fairgrounds Sunday in the final Shaughnessy playoff game, for third place. Freer said either

PIN-WORMS At Last—A Real Treatment!

Anyone who has ever had Pin-Worms knows how tormenting and embarrassing this infection can be, and how hard it may be to deal with the creatures, since they get a foothold inside the body.

Today, thanks to a special, medically recognized drug (ferriatin violet), a highly effective treatment has been made possible. This drug is the vital ingredient in P.W., the Pin-Worm Tablets developed in the laboratories of Dr. B. Jayne & Son. P.W. tablets are small and easy to take, and they act in a special way to remove Pin-Worms.

So watch out for the warning signs that may mean Pin-Worms in your child or yourself—especially the irritating rectal itch. And don't delay. Ask your druggist for JAYNE'S P.W. right away, and follow the directions. Satisfaction guaranteed, or your money back.

It's easy to remember: P.W. for Pin-Worms!

Dick Kidwell or Jess Van Horn will get the hurling call with the rest of the Crater lineup to be intact. Medford is not taking the Studmen lightly after watching the Klamath Marines barely eke out a 10-9 victory over Central Point last Sunday.

NOT EVEN A MEATBALL
Green River, Wyo.—(U.P.)—"You get no bread with one meatball," but there was one restaurant at Green River that

couldn't even serve the meatball recently. The cafe closed its doors and ceased as a direct result of the food shortage, operators said.

Indianapolis (U.P.)—Mrs. Ethel Harless reported to police that a thief entered her home and took \$6 she had placed in a Bible. She further reported the Bible also was missing.
