

FORMER CAPTAIN AT CAMP WHITE RECEIVES MEDAL

A bronze star medal has been awarded to Capt. Robert N. Lindesmith of the 96th Infantry Division, formerly at Camp White, for meritorious achievement in connection with military operations against the enemy on Leyte and Okinawa Islands, according to information received here by Mrs. Lindesmith, the former Roma McReynolds.

The citation reads in part: "Captain Lindesmith served as the regimental motor transportation officer and was confronted with numerous transportation difficulties. On his own initiative he secured tractors and cargo carriers to get supplies through to the regimental units, often under enemy sniper fire. On Okinawa due to a shortage of supply officers, he volunteered to serve as officer in charge of the regimental forward dumps keeping them stocked and making numerous trips to the front-line elements to check on their situations as it related to supply problems.

"When some of our vehicles were knocked out by artillery fire or mine action, Capt. Lindesmith immediately went out to the location, estimated the situation and secured replacements, this often being done under direct enemy observation and artillery barrages. Capt. Lindesmith's devotion to duty and manner of performance through two campaigns demonstrated the highest qualities of leadership and initiative and was an inspiration to his men."

The citation was signed by Maj. Gen. Bradley. Mrs. Lindesmith is employed at the First National Bank of Medford.

EAGLES TO HEAR PAST PRESIDENT

Plans have been completed by the local aerie of Eagles for a special meeting Wednesday to hear Robert Hansen, Eagle's magazine editor and past grand president of the lodge who will be paying an official visit here. The special meeting will be in the Eagles' rooms, 219 West Main street at 8 p. m.

A large class will be initiated, to be known as the patron Eagle class and in honor of Mr. Hansen. The class is to assemble in the aerie rooms at 6:30 p. m. and each sponsor is to be responsible for the arrival of his candidate. The drill team will be in uniform.

The auxiliary will also hold a special session at that time and following the meetings a dance will be held.

The regular meetings of both aerie and auxiliary, usually held on Thursday, have been canceled.

ELBERTA, HALE PEACHES NOW BEING HARVESTED

Harvesting of the Elberta and J. F. Hale peaches is now in full blast, according to Assistant County Agent C. B. Cordy, with all the early peach varieties picked. Most of the peach crop is centered in the Ashland-Talent districts and is being shipped to the California fresh fruit market at ceiling prices. The peaches are also in high demand by local housewives for home canning.

LAUNDRIES GIVEN WAGE HIKE ORDER

A wage for laundry workers was authorized by the War Labor Board effective Aug. 15. Glenn Fabrick, spokesman for Medford laundries, stated today. For the past several months local laundries have been operating without adequate crews due to the fact that wages were insufficient to attract workers.

The increases range from 10 to 25 per cent on base salaries of 1942, Fabrick stated; and to offset this the Office of Price Administration has given the establishments an increase in price schedules. The OPA order was effective as of Sept. 7, and will result in increased costs to the public ranging from 12 to 15 per cent, Fabrick declared, the rate varying with different establishments.

Local laundries have been paying the increased wages since the effective date and placed the OPA order into operation on sales Sept. 10, he said.

Inadequate laundry crews resulted in less service to customers but this is gradually remedied as additional workers are employed, it was stated.

Crime Increase Noted This Year

Washington, Sept. 11—(UP)—Crime increased sharply during the first six months of 1945 while police personnel decreased, the federal bureau of investigation reported today.

Crime in rural areas shot up 10.6 per cent over the same period the year before. In cities the boost was 8.4 per cent.

Murders were up 14 per cent in rural areas, 4.3 per cent in cities; rape 22.5 per cent in rural areas, 9 per cent in cities; aggravated assault 29.5 per cent in rural areas, 11.3 in cities. Cities reported a decline of 1.6 per cent in negligent manslaughter while rural areas experienced a rise of 23.7 per cent.

Canada Resumes Meat Rationing

Ottawa, Sept. 11—(UP)—Canada resumed meat rationing today and Donald Gordon, chairman of the Wartime Prices and Trade Board, said it was for "the sole purpose of getting more meat to liberated countries and to Great Britain."

Meat rationing in Canada, first imposed in May, 1943, was suspended on March 1, 1944.

SCHMELING ACQUITTED OF REGULATION BREACH

Hamburg, Sept. 11—(UP)—Max Schmeling, former world heavyweight boxing champion, was acquitted today of a charge of providing false information to the British Foreign Office.

Schmeling had been arrested by British military authorities and accused of a breach against army regulations.

Warren W. Peake Sound Instructor At Manila School

Warren W. Peake, soundman first class, is now an instructor at Manila, according to word received by his parents, Mr. and Mrs. F. E. Peake, 110 1/2 East 11th street. Soundman Parks was named instructor after attending school for four and a half months at San Diego.

Prior to attending the school, he served 27 months in the South Pacific. He took part in the invasions of Saipan, Guadalcanal and Tarawa, among other campaigns. He has been in the navy for the past three years and was a student at Phoenix high school.

Another son, P. C. Francis, is serving aboard a hospital ship at Pearl Harbor. His wife and son are making their home with Parke's parents here.

DAMAGES SOUGHT IN TRUCK CRASH

Suit for \$10,000 personal injury damages and special damages of \$2097.50 were filed by Maurice J. Woodson against Alonzo Ross Harden, in circuit court yesterday. The suit is based on a logging truck collision on the Dead Indian road 25 miles east of Ashland, July 1, 1944.

Woodson alleges in his complaint that due to the carelessness and negligence of the defendant, he was forced to the side of the road, ran into a large boulder causing a load of logs to plunge through the cab, injuring him. It is stated that as a result of the accident, Woodson suffered permanent loss of 60 per cent of the use of his right arm, the breaking of what is known as the "crazy bone" in his elbow, and cuts, scars and body bruises.

Woodson further claims at the time of the accident he was making \$55 per day and was unable to work for 36 days. He asks the special damages of \$2097.50 for lost time, and medical and hospital services.

Attorney George M. Roberts appears as counsel for Woodson.

BUS SPEED-UP MEANS SCHEDULE INCREASES

Lifting of the 35-mile speed limit will have virtually the same effect as a substantial increase in the number of high-way buses serving the west's transportation needs. This was the assertion today of F. W. Ackerman, vice president of Pacific Greyhound Lines, the bus system that provides local and long-distance service in seven western states over a network of highways. The bus executive stated that Greyhound is revising schedules on the time-saving basis now permitted by the Office of Defense Transportation.
