

Taylor At Dealer Meeting

L. C. Taylor Hears Plans of Dodge At Portland Meeting

The new Dodge cars, which are being engineered for production later this year, will have many important improvements and new features, according to L. C. Taylor of L. C. Taylor Co., local Dodge dealers, who recently returned from Portland where he attended a meeting held for dealers throughout the state. Dodge is proud of the fact that owners have had, through their dealerships, a continuously

available supply of factory-engineered parts throughout the war that has enabled Dodge dealers to keep cars and trucks in good repair, Taylor said. The company plans to get in production of new cars as soon as possible, but considering the limited new car production authorized and the millions in need

of new cars, it is now more important than ever that every owner should take the best possible care of his car, according to Taylor.

PICK D'ANJOU
Picking and packing of the D'Anjou crop has started in the valley, and Howells and Seickels are also being picked. The D'Anjou crop is not as large as the Bartlett production which was one of the largest crops in the valley. Packers report that approximately 40 cars of cull Bartletts have been shipped to Watsonville, Cal., to the dehydrating plant there with more to follow.

JAP CAMP FIRE
Newell, Calif., Sept. 13—Fire which apparently started in the vicinity of a cooking range early today destroyed the mess hall serving evacuees in one of the 74 residential blocks of the War

Relocation Authority's Tule Lake center here. The evacuee fire department prevented damage to any other buildings in the vicinity of the destroyed mess hall.

More Comfort Wearing FALSE TEETH
Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No stummy, puffy, nasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

PHOENIX SCHOOLS TO OPEN SEPT. 24 FOR ALL GRADES

Phoenix, Sept. 13 — Phoenix elementary and high schools will open Monday, Sept. 24, according to Lyle L. Lindley, superintendent. The hot lunch program will not begin operation until October 1, and all pupils who regularly eat their lunches at school are first to bring their lunch the first day as school will be in session from 9 a. m. to 3:45 p. m.

High school pupils who live in a non-high school district should call at the school or at the county school superintendent's office and obtain an information blank for high school tuition. This blank must be completed and signed by the pupil, his parent, and the clerk of the pupil's home district before an eligibility tuition card will be granted by the non-high school board. Students entering high school for the first time and students new to the Phoenix high school should register at the school house on Friday, Sept. 21, between 9 a. m. and 5 p. m.

A program of remodeling and repairing has been carried on during the summer months which has greatly improved the appearance and accessibility of the school facilities. The school board announces that the music program is being enlarged and that the acquisition of a new dual microphone public address system will offer added emphasis to the dramatics and speech work.

The Parent-Teachers' association is now completing a successful canning program with the shelves already holding 87 quarts of cherries, 425 quarts of peaches and 500 quarts of tomatoes.

The elementary school staff for the year includes Susan Sikes, first grade; Marie Prescott, second; Edith Thompson, third; Grace Renzema, fourth; Mabel Moore, fifth; Gladys Sloan, sixth; Mildred Rogers, seventh; and Eugene Rice, eighth grade and principal. In the high school, Mabel Sims will handle English and Journalism; Jose-

phine Abbott, commercial and homemaking; Katherine Stancliffe, social studies; Alvin Wheeler, science and mathematics and dramatics; Harry L. Myers, band and orchestra; and Lyle Lindley, superintendent. Hot lunches will again be prepared by Mrs. Cornelia Burnes, and the head building custodian will be Kellie Willoughby.

LONDON WOMEN FOLK FOR MATERNITY BEDS

London, Sept. 13 — Many British women are booking beds in maternity wards as soon as they get the glad tidings that their husbands overseas are coming home, it was learned today.

A shortage of maternity hospital facilities caused a flood of reservations far in advance—many of them made provisionally. All beds but one in a big London hospital were reserved more than nine months ahead.
