"I WAS CONSTIPATED FOR MANY YEARS!"

Relieved by **KELLOGG'S ALL-BRAN**

Constipated? Then here's an unsolicited letter you'll want to read: "I had been troubled with common constipation for many years. Was taking laxatives and pills all the time, and feeling very weak and run down. I had begun eating KELLOGG'S ALL-BRAN daily. Now, I have a regular, natural movement every morning, which helps me feel my best!" Mr. Samuel D. Blank, 292 Kings Highway, Brooklyn, New York.

You, too, may be able to free yourself from pills and purgatives for the rest of your life—if your constipation is due to lack of bulk in the diet, and you eat a dish of **KELLOGG'S ALL-BRAN** every day and drink plenty of water! If not satisfied, send empty carton to Kellogg's of Battle Creek. You'll receive double the money you paid for it! **ALL-BRAN** is not a purgative. It's a highly nutritious food made from the vital outer layers of wheat. It's one of nature's most effective sources of gentle-acting, natural bulk.

Get **ALL-BRAN** at your grocer's. It's made by Kellogg's of Battle Creek and Omaha.
