MORE HOME TIME GIVEN SOLDIERS

Washington, Sept. 19—(U.P.)—Soldiers returning to the United States from overseas who are not eligible for discharge henceforth will be given 45 days temporary duty at home instead of the present 30 days, the war department disclosed today.

Telegrams are being sent to men now at home on 30 days temporary duty extending the leave by 15 days.

The extended time home was made possible by the lowered manpower requirements for overseas, it was said.

Your Health and It's Care

By DR. WILLIAM BRADY, M.D.

Readers should address inquiries to: Dr. William Brady, 265 El Camino, Beverly Hills, Calif.

ONE GOOD TOOTH IS WORTH $1000

Dr. Brady

We're still talking about the prophylaxis (prevention) of so-called pyorrhea. My subject is strictly hygiene and health, and I assure you that the condition of your jaws, tooth sockets, gums, digestive (salivary) glands and teeth is paramount in determining your health, efficiency and longevity. Believe it or not, my teachings have considerable influence upon the public health.

It takes something extraordinary to shock or jolt me, I mean in the letters I get from readers. It happened the other day, like this:

Dear Dr. Brady,

Please tell me what to do for chronic rheumatism? I have had it for about three years. When I asked the doctor here about it he said I had better have my teeth pulled. I had twenty-three teeth pulled—they were nearly all in good condition, the dentist found. But it made no difference in the rheumatism. In fact it has gotten worse if anything.

(Signed) . . .

Just like that. I suppose the victim is not more ignorant than most laymen about the teeth, but the shocking part of it is the way the doctor and the dentist perpetrated the malpractice on the victim.

It is criminal malpractice, in my opinion, when a doctor gives a patient such advice. There may be some justification for extracting a tooth or even two or three teeth when physician and dentist find reason to believe the tooth or teeth to be damaged by decay or infection beyond hope of repair or when the physician believes the patient is suffering some systematic trouble from infection in or around the tooth. But for a doctor to advise anybody offhand to submit to the indiscriminate extraction of many or all of his or her teeth in a blind attempt to relieve any such systemic ailment is scandalous and wicked, and I hope this publicity may have a deterring influence on doctors and dentists who perpetrate this crime.

QUESTIONS & ANSWERS

Postcards Not Answered

Three weeks ago and again a week ago I sent you a postcard and it was not answered. It was a question on health. Please attend to the matter at once. (Mrs. W. G. W.)

Answer— Postcards or postage stamps or pennies will not do. If you expect an answer you simply comply with the rules—inclose with your question a stamped envelope bearing your address.

Concrete

In my work I have to stand long hours on a concrete floor. My feet ache a good deal. The proprietor will not put a wooden floor in. Can you suggest anything to relieve the strain? (J. T. M.)

Answer—The concrete has nothing to do with it. Perhaps a strapping of the feet and legs by your doctor would give comfort. Send ten cents coin and 1-ct-stamped envelope bearing your address, for booklet "Care of the Feet."

Headache

I am a great sufferer from what I suppose is migraine or nervous sick headache, an attack nearly every week. (D. V.)

Answer—Send stamped envelope bearing your address, for monograph "Why Have Headache?"

Ridged Nails

I have ridges crosswise and some lengthwise of my nails. Can you tell me the cause of this and what to do for it? (Mrs. A. B. J.)

Answer—Often it is nutritional deficiency. Supplement your diet with a daily ration of vitamins D, thiamine and riboflavin, as described in pamphlet "Young Folks and Old Folks", mailed on request if you provide stamped self addressed envelope.

Immediate Denture

Immediate dentures are not new in my family. My father made them over 50 years ago. However, he extracted the teeth and then took the impression and put in the denture the same day. He said he could get a better impression and make a better fitting denture that way. I work on the same principle.

(S R , D.D.S.)

Answer—Sh-sh-sh! If the secretary of the Chicago Dental Society hears about it, Doctor, he'll write to the paper to warn the public you are misrepresenting. Maybe by now they've learned about immediate dentures in Chicago.

Charles McLallen Aboard USS Gwin In Tokyo Bay Trip

Charles McLallen, Jr., GM3/c, is serving aboard the USS Gwin in the Pacific theater, according to word received by his wife, Louise, who resides on Griffin Creek road. His parents, Mr. and Mrs. C. O. McLallen, make their home at Foots Creek.

The USS Gwin was among the first ships that entered Tokyo Bay with Rear Admiral Badger's occupation force. The comparatively new vessel saw action in several major Pacific campaigns and several times was attacked by Japanese suicide planes but was struck only once by a Kamikaze while on duty off Okinawa. A short time was spent in repairs before the vessel was again sent out on radar picket duty.

Odell A. Garrison Has Part in Many Pacific Campaigns

Odel A. Garrison, S1/c, has been aboard the USS Columbia during action in the Pacific theater of operations, according to a letter received by his parents, Mr. and Mrs. A. M. Garrison, route 4, box 363B.

Garrison wrote that he took part in the sinking of a cruiser and a destroyer at the battle of Empress Augusta Bay and assisted in sinking two battleships, a cruiser and one destroyer in the battle of Surigao Straits. The navy man took part in the Leyte operation, Balikpapan - Borneo operation, China coast activity, Yellow Sea anti-shipping sweeps and defense of Okinawa.

He attended Medford schools and entered the service Feb. 2, 1943.

Prison Sentences For Italian Lovers

Seattle, Sept. 19—(U.P.)—Two young Seattle housewives who fell in love with Italian prisoners of war and fled with them into eastern Oregon in June, today faced sentences of 21 months in the federal women's reformatory at Alderson, W. Va.

The women pleaded guilty to one count in an indictment charging them with aiding the prisoners' escape.

They are Mrs. Fae Lois Burns, 20, mother of two children and wife of a soldier, and Mrs. Lenore May Hodgson, 30, who has a 14-year-old daughter.

Trace Hitler Rumor In Nazi Settlement

Ashinoyu Village, Japan, Sept. 19—(U.P.)—American authorities today began questioning over 3,000 Germans living in this attractive oriental Berchtesgaden in an attempt to run down persistent rumors that Hitler is hiding in the area.

Many Tokyo Japanese whisper that shortly after Germany's collapse a nazi submarine arrived at Yokosuka naval base on lower Tokyo bay and deposited Hitler, who was immediately whisked up a back-country road into this cloud enshrouded mountain hideout.
