Methodist Women Outline Program; Plan New Circle

Plans for the coming winter program were outlined at the first fall meeting of the Woman's Society of Christian Service held at the Methodist church parlors Tuesday. Dessert luncheon was served by the Just Folks' circle from tables prettily decorated with autumn flowers, and a business meeting and program followed.

Due to the growth of the society, it was thought advisable to organize another circle, this to be especially for the young married women of the church. An organization meeting will be held next Wednesday following the dessert luncheon served in the Sunshine parlors of the church at 1:30 p. m. Members of the executive board will be hostesses and an invitation is extended to all young married women to attend.

The society is hopeful of obtaining a missionary from China to speak in the church in the near future, it was reported, and plans were made for several members to attend a district conference to be held in Albany Oct. 17 and 18.

"Health Around the World" was the subject of the program presented by Loyalty circle members, with Mrs. J. A. Carter as leader. Mrs. F. McKeown, Mrs. L. Schoppert and Mrs. Doolin sang a trio number, accompanied by Mrs. Lee Van Ausdale.

WARN FARMERS OF RABIES
Columbus, O. (U.P.)—State veterinarians warned farmers to watch livestock closely in summer for signs of rabies, characterized by sudden, unexplained, peculiar behavior by normally placid animals. Infected hogs will attack anything, they said. Horses will kick and trample smaller stock and will gnaw or bite the spot where they were bitten. Cows will bellow and stamp wildly.
