County Democrats Open Campaign For Ashland Building

Ashland, Oct. 2 — Jackson County Democratic executive central committee took action pertaining to a new federal building here recently.

A complete statistical picture of the need for a federal post office building, which was compiled by County Chairman V. D. Bert Miller was forwarded to Robert Hannegan, postmaster general and National Democratic chairman. It was conclusively shown that Ashland's first class post office is now operating under fourth class conditions, Miller said.

A plan of sectional organization work was adopted at the meeting. The plan is for division of the county into six parts and the placing of key men in the sections to augment campaign work.

A committee, appointed by Miller, for mapping out of the county by precincts for the subdividing work, consists of D. D. Davis, chairman, with Moore Hamilton, Lester P. Mathes and Pat Graham as co-members.

Coast VFW Posts Revoked For Ban On Jap Members

Chicago, Oct. 2—(U.P.)—West coast posts of the Veterans of Foreign Wars were condemned today by their commander-in-chief, Jean A. Brummer of New York for banning Japanese-Americans from membership. "The VFW is a democratic organization and, unfortunately, we could not control the actions of these west coast posts,"

Brummer said. "We want no racial discrimination within the VFW. I'm sorry we can't remedy what has happened." Brummer's statement came as the 48th national encampment of the VFW opened here with a United Nations veterans victory conference. Heroes of 17 of the United Nations were expected to participate in the conference.
