

## WHAT IS PEACE?

**P**EACE is more than the absence of war. Peace is a friendly handclasp, small talk on a front porch, friends in for dinner. Peace is a birthday party, a Christmas tree, an Easter service in a white church. Peace is telling someone where the Smiths live, laughing at a joke, asking a neighbor what you can do when there's sickness in his house.

Peace is people helping instead of hurting one another, trusting instead of suspecting, tolerating instead of hating. Peace is forgetfulness of creed and color. It's meeting on equal terms. It's honoring a man for what he is instead of defaming him for what he isn't.

This is peace. And until we have all this, we won't have real peace—the feeling in our hearts that all is right once more.

Right now, we can make a good start towards this goal. For, right now, in our local community campaign, we have the chance to help our neighbor. To help him regardless of who he is or how he worships. To act TOGETHER in mutual trust and confidence.

This is part of all we are fighting for. This is what YOU help to bring about when you contribute to the local community chest. Make your contribution today—and make it as big as your heart!

# TOMORROW! GIVE GENEROUSLY TO THE COMMUNITY CHEST of MEDFORD *and the* UNITED WAR FUND

**Sure, The War Is Over . . . But Your Dollars Are Urgently Needed To Carry On The Work of These Organizations In Victory**

Salvation Army - Boy Scouts - Girl Scouts - Y. M. C. A. - Girls' Community Club Jackson  
County Public Health Association - U.S.O. - United Seamen Service - War Prisoners' Aid  
American Field Service - United Nations Relief - Refugee Relief

**T**HE need of the National War Fund for finances is actually greater than ever this year. There are vast troop movements over thousands of miles. Help and entertainment must be carried farther than ever, and these men and women need more than food, and a place to sleep, to enable them to withstand the hardships, the loneliness, and the horrors of war.

The things they receive through the U. S. O., United Seamen's Service, and War Prisoners' Aid, are things that help sustain them . . . things that let them know the people of this country are "in there with them." Things that tell them they do not fight alone.

The need for aid in liberated countries is pressing !!! acute. This is going to be a fatal year for millions of men, women, and children !!! if we do not help them. We can't let them down now.
