**Girls—Women are you PALE? WEAK? from loss of BLOOD-IRON?**

Here's One Of The Best Home Ways To Build Up RED BLOOD!  
You girls who suffer from simple anemia or who lose so much during monthly periods that you are pale, feel tired, weak, "dragged out"—this may be due to low blood-iron.  
So start today—try Lydia E. Pinkham's TABLETS—one of the greatest blood-iron tonics you can buy to help build up red blood to give more strength and energy in such cases.  
Taken as directed—Pinkham's Tablets are one of the very best home ways to get precious iron into the blood.  
They help build up the iron quality of the blood by reinforcing the hemoglobin of red blood cells.  
Just try Pinkham's Tablets for 10 days—then see if you, too, don't remarkably benefit. Follow label directions.
