Train Service Re-Established

To San Francisco

To provide faster express and mail service between Southern Oregon and San Francisco, Southern Pacific has reestablished The SHASTA (trains 7 and 8). This train carries through baggage-mail-express car and coach to and from San Francisco, and a cafe-lounge car to Dunsmuir, where the train connects with Sotuhern Pacific KLAMATH to San Francisco.

As announced a few days ago, a through Pullman will be added to this train when the ODT restriction is lifted on the use of sleeping cars in runs of 450 miles or less.

This is the first war-discontinued service to be reestablished by Southern Pacific.

Here is the schedule:

SOUTHBOUND		NORTHBOUND	
Lv. Grants Pass	4:30 PM	Ar. Grants Pass	3:10 PM
" Medford	5:25 PM	" Medford	2:10 PM
" Ashland	6:00 PM	" Ashland	1:30 PM
Ar. Dunsmuir	11:00 PM	" Dunsmuir	7:45 AM
" San Francisco	10:50 AM	Lv. San Francisco	8:00 PM

Train stops on flag at all other stations between Grants Pass and Dunsmuir.

(Note: As soon as a through Pullman sleeper can be operated under ODT regulations, northbound service will leave San Francisco at 6:30 PM, arriving at Southern Oregon points considerably earlier than shown).
