

Martinelli To Test Mask In Armory Ring Tonight

Tonight's Card
 Gray Mast vs. Angelo Martinelli
 Jack Pipscomb vs. Gorilla Foggi
 Norval Stockstill vs. Tex Porter

The Gray Mast deeply entrenched in the minds of Medford armory wrestling fans as one of the most detested wrestlers ever to cavort in the local tug and haul emporium, will return to the scene of twelve straight triumphs when he locks grips with Angelo Martinelli in the top half of a double main event tonight.

Martinelli, when he heard the Mask was coming to Medford,

insisted that Promoter Mack Lillard give him the first crack at the headbutting hoodlum from somewhere. The clever Italian said he saw the Mask work in the east recently and is certain he can defeat him. Martinelli won a host of admirers when he dumped Ernie Piluso last week. The Toledo star weighs about 195 pounds and is exceptionally fast for a big man. Jack Lipscomb, coast junior heavyweight champion, will hook up with Gorilla Foggi in the other half of the dual top bout. Both men are noted for their knock-down-drag-out type of mat work and chances are a wild scrap will ensue.

Norval Stockstill of Talent will make his first local professional appearance when he mixes with veteran Tex Porter in the 8:30 opener.

Downtown ticket office reported a brisk sale of seats but said a few choice ringside chairs would be available at the gate tonight.

MORE PAGES PUT IN RECORD BOOK OF WORLD SERIES

Chicago, Oct. 11—(U.P.)—They put a lot of new pages into the world series record book today.

Never before has there been a series that shattered as many marks as the 1945 "big show" which bowed out yesterday at Wrigley field after seven games.

The records included:
 Largest crowds—The 41,590 fans who attended yesterday's game established a new world series attendance mark, boosting the total turnstile registration for the seven-game 1945 series to 333,457. Yesterday's turnout also was the largest crowd ever to attend the seventh game of a world series.

Total receipts—Yesterday's turnout poured \$204,177 into the coffers, hiking the total take for the 1945 series to \$1,592,454, and cracking the former mark of \$1,322,328.21 set in 1940.

Strikeouts—Hal Newhouser of Detroit in striking out 10 men to win yesterday's game, set a new modern series mark of 22 strikeouts. He had fanned 12 men in his previous two series appearances.

Pinch hitters—The Cubs, in using their 14th pinch hitter in yesterday's game, set a new record for National league "late entries".

Longest game—The sixth game, a 12-inning battle on Monday lasted three hours and 28 minutes, breaking by 34 minutes the former high of 2:54 set by the Yankees and Dodgers in 1941.

Most players—The Tigers and Cubs, in sitting 19 players into Monday's game, cracked the previous series record of 18 held by the 1935 Giants. The over-all total of 38 surpassed the previous series two-team high of 29 set by the Giants-Senators in 1936.

KAHUT SET FOR FITZPATRICK GO

Portland, Ore., Oct. 11—(U.P.)—When two young dynamic fighters, containing the sock and showmanship that makes for ring champions, clash at the cross-roads of their fight careers—boxing promoters call that match a "natural."

It will be just that when 22-year-old Joe Kahut, popular Oregon champ, trades kayo punches Friday night in Portland's auditorium with 23-year-old Fitz Fitzpatrick, the Los Angeles and West Virginia knockout specialist.

Each fighter has lost two battles—and each lost one of these to the veteran Lloyd Marshall, Sacramento, Cal., negro star.

The records of both fighters indicate that one or the other will end up on the canvas. The only difference is that they settle their battles in their individual tempos. Of 28 kayos by Fitz, 11 were in the first round. Kahut stowed away 20—but none in the first stanza.

Tigers Are Given Rousing Welcome; Banquet Planned

Detroit, Oct. 11—(U.P.)—Those roaring Tigers roared into Detroit today with their first world's baseball title in 10 years and fresh money jingling in their pockets.

Giving a rousing welcome at the Union station last night, the Tigers tonight will officially receive the thanks of the city for winning the World Series when they attend a lavish dinner presented by the chamber of commerce.

Each of the 31 Tiger players, who were voted a full World Series share, will receive about \$6,445. The Tiger team, in all, received \$199,799.88 from the players' pool or 60 per cent, the winner's share.

Meanwhile, in Chicago, 33½ shares were dolled out to the Cubs. Each share was worth about \$4,277.

SEALS TAKE 6-1 WIN OVER SUDS

San Francisco, Oct. 11—(U.P.)—The San Francisco Seals and the Seattle Rainiers today were tied at two games apiece in the \$10,000 Pacific Coast league Governor's Cup playoffs.

The Seals, who took the fourth game in the series last night by a decisive 6-1 score, planned to start Bob Joyce on the mound against the Suds' Hal Turpin when the clubs clash again tonight.

The Seals won their second game by breaking a 1-1 tie in the fifth inning when they pounded across four runs. Ben Guintini doubled off the center-field fence and went to third on Charley Petersen's single to left infield. Neil Sheridan doubled to score Guintini and came in with Petersen on another double by Willie Enos. Enos went to third on Perry's sacrifice and scored after the catch on Bones Sander's long fly to centerfield.

Frank Seward yielded six hits to the visitors. The Seals scored 12 hits, four of which were in the fifth inning.

The line score:
 Seattle 1 6 0
 San Francisco 6 12 0
 Fischer, Elliott and Finley; Seward and Ogdowski.

TORNADO READY FOR GAME WITH EUREKA FRIDAY

With all players practically recovered from cuts and bruises received at Eugene last Friday, the Medford high school Black Tornado is all set for their football date with Eureka, Calif., at Medford stadium tomorrow night.

The squad, which has rolled up 160 points to their foes' 7, will be playing a king-of-x affair, so far as standings toward the state championship are concerned, but must win to keep their record unblemished.

Coach Al Simpson said there were no serious injuries in the Eugene clash and that the entire starting lineup will be ready to go.

Eureka is said to have a potent ball club. Andy Knudsen, a letterman, will carry the brunt of the Loggers' attack and will be capably assisted by a host of lettermen from last year's second string. They have played two games this season, winning both of them.

Klamath Falls meets Grants Pass on the Cavemen field in a Southern Oregon league game and Ashland is idle.

BEAVERS ACQUIRE BOSTON CATCHER

Portland, Ore., Oct. 11—(U.P.)—The Portland Beavers have acquired Billy Holm, Boston Red Sox catcher who handled 93 games for Los Angeles in 1943 without an error.

General Manager William Klepper wired from Chicago that he had bought Holm as a second man behind Eddie Adams, the regular Beaver backstop. Holm was shunted back and forth between Chicago and the Angels for several seasons, but the Cubs used him in only 50 games last year and he went to the Red Sox this spring.
