CIVIC MUSIC ASSN. TO SIGN MEMBERS

Jackson County Civic Music Association will open its annual membership campaign Monday with a 6:30 dinner for officers and team workers at the Holland Hotel, according to President Seth M. Bullis. The campaign will be conducted throughout the week from headquarters in the Chamber of Commerce, 123 West Main.

The Jackson County Civic Association is a non-profit cooperative organization which brings to Medford and surrounding cities concerts by artists or musical organizations of natural and international reputation. Admission to these concerts is by membership card only and those interested may join the association by paying the amount of annual dues during this one membership week. After October 20, the membership privilege is closed and no more members will be accepted for another year. No tickets are sold for single concerts.

During past years, the association has presented such artists as Luboshutz and Nemenoff, the Salzedo Ensemble, Don Cossacks, Joseph Szegiti, the Trudi Schoop Ballet, and many others. This season options are being obtained on the famous Alicia Markova Ballet and other outstanding attractions and their appearance here depends on success of the campaign this week. Preliminary tabulations of renewals already indicates the prospects of a capacity membership

Artists to be presented next season will be selected and announced immediately after close of the campaign when the amount of funds for this purpose is definitely known, Bullis said. All money is expended in securing artists. Suggestions of members joining as to type of concerts they would be interested in hearing are welcomed by association officers.

More complete information may be obtained by calling at headquarters or telephoning 5595.

Church Women Announce Plans For World Day

The Medford Council of Church Women, through its president, Mrs. Louis C. Kirby, announces a combined program for the annual Institute of World Community Day, to be held at the Church of the Nazarene, Holly at First street, October 26, from 10 a. m. to 3:30 p. m.

"Three years ago World Community Day came into being because the church women of America felt they must unite their forces if they were to help build a better world," a national officer states. "On World Community Day of this year, in thousands of communities all over the United States, groups of women of the United Council of Church Women will meet for worship, study and action that they may dedicate themselves anew to accept the price of enduring peace." Specific subjects will be: "The World Charter—how can we make it live?", "The World Community—how can we achieve it?" and "The World Church—woman's part in it."

Convinced that church women have an immediate task of education, Mrs. Harper Sibley, Rochester, N. Y., national president of the council, says, "The framework of the Charter of the United Nations is merely the skeleton of the new world organization. It must have flesh and blood and the breath of life in its veins. The women of the world are needed to make it come alive."

Academy Parents Will Form Club

A meeting for the purpose of organizing a Parents' club was held Thursday evening at St. Mary's academy and the following chairmen were appointed: Mrs. L. A. McCormick, nominating committee; Mrs. Edward C. Kelly, constitutional committee, and Mrs. H. J. Roemer, policy committee. Larry Schade presided and the appointments were followed by open discussions.

Next meeting of the group will be held Monday evening, Oct. 29.
