

BUTLER RESIGNS SECRETARYSHIP J.C.F.S. & L. ASSN.

Attorney O. H. Bengtson Is Named Temporary Secretary; Butler Going to K. F.

Arnel P. Butler, for the past eight years secretary and director of the Jackson County Federal Savings and Loan Association, has announced his resignation to become vice president of the First Federal Savings and Loan Association of Klamath Falls. He will assume his new duties November 1.

Attorney O. H. Bengtson, who has been an attorney for the association for the past several years, has been named director and temporary secretary of the local association to serve until a permanent secretary and director is selected by the board of directors.

Mr. Bengtson, prominent in fraternal and civic activities in Jackson County, is one of Jackson County's representatives in

Attorney O. H. Bengtson (above) has been appointed a director and temporary secretary of the Jackson County Federal Savings and Loan Association, effective November 1. He will assume the duties of Arnel P. Butler who has resigned to accept the vice presidency of the First Federal Savings and Loan Association of Klamath Falls.

the legislature. He has engaged in law practice in Medford for the past 12 years, during which time he has been connected with the Jackson County Federal Savings and Loan Association.

Continues Practice

Attorney Bengtson will continue his general practice in Medford, with offices in the Loan Association building.

The Jackson County Federal Savings and Loan Association has been engaged in savings and home financing since 1909 and is one of the largest financial institutions in Jackson County. Officers and directors are all well known business and professional men of this county.

Mr. Butler has been associated with the association for the past 22 years. The directors were high in praise of his services and expressed regret in accepting his resignation. He is the son of Mrs. J. H. Butler of this city. His father, the late J. H. Butler, was for many years operator of the Medford Furniture and hardware Co., and widely known in business circles in Southern Oregon. Mr. Butler is a member of the Masonic Lodge and the Medford Post of the American Legion.

Mrs. Butler and the Butler's son and daughter, Bob and Ann, will remain in Medford at their home at 28 North Barnburn Road until living accommodations are secured in Klamath Falls. Mrs. Butler is head of the mathematics department of the Medford High School and both children are students in Medford Senior high school.

Medford Liberee Is Due to Arrive In San Francisco

Dave Osborn, former Medford resident taken prisoner by the Japanese when Wake Island fell to the enemy Dec. 24, 1941, is to arrive in San Francisco today or tomorrow aboard the transport Dickman, according to relatives. His parents arrived here from Portland earlier this week and were joined by Osborn's wife, Beulah, and the three continued to San Francisco to meet the released man.

Osborn, employed in construction work on Wake when war was declared, was a prisoner from the time the island fell until his release when American troops occupied the Japanese mainland.

Bids will be received up to 7 p. m., October 30, 1945.

Mrs. Robert H. Field, Clerk District 14.

MINING ASSN. TO MEET FRIDAY AT J'VILLE CHAMBER

Jackson County Mining association, newly organized group, will meet Friday, Oct. 19, at the Jacksonville Chamber of Commerce hall it was announced today by Russell A. Mitchell, director. Anyone interested in promotion of the mining industry is invited to attend.

The new group completed organization and elected officers at a meeting held here in September. Floyd K. Dover is president of the new group, Ted Stansell is secretary-treasurer. Directors are Russell A. Mitchell, H. P. McDonald, Jr., Fred Scott, B. J. Hanson and Joe Thomas.

Purpose of the new organization is "to promote interest in mining in this county, to aid small operators by interesting capital, to protect the mining industry of the county from further encroachment of rights or restrictive laws by federal or state governments and to support candidates, regardless of party affiliation, who will work for the aims and purposes of the organization," according to Director Mitchell.

Urge Gold Hike

At the last meeting the group went on record as favoring a rise in the price of gold, to permit gold producers to sell on the world market, and the use of hard money in the United States. Speakers for the meeting were Gus Walker, president of the Josephine County association, and J. P. Hall, editor of the California Mining Journal and president of the Western Mining Council. Hall told of the efforts of the Western Mining Council for national recognition of the importance of western mines and minerals, for the establishment of a steel industry for the west and for relaxation of several federal restrictive measures which hamper mining and mine financing in the west.

Livestock

Portland, Ore., Oct. 16—(UP)—Livestock: Cattle 150, calves 35. Active, steady at Monday's advance. Few good steers 15.75; cutter common grades 9.00-12.50; common cutter cows 6.50-8.00; fat dairy type cows, 8.50-9.00; good beef cows Monday 12.00-12.50; common-good sausage bulls 8.50-10.75; good beef bulls 11.25. Wall Street

New York, Oct. 16—(UP)—Steel shares led a late recovery in the stock market today that lifted prices moderately from the day's early lows. Toward the close prices were irregular.

The steels shot up fractions to more than a point, reaching new highs for the year and longer, in the face of a pessimistic report of the American Iron & Steel Institute that the current soft coal mine strikes may force the mills to cut production to 55 per cent of capacity by Monday.

Much of the forenoon and early afternoon selling was attributed by informed market quarters to profit-taking, since there has been little if any news sufficiently bearing to attract selling. Commentators have emphasized that any adjustment now would only be natural after the recent extended price rise to a new peak since early March, 1937.

Preliminary closing Dow-Jones stock averages: Industrial 185.49 off 0.02; Railroad 59.89, off 0.21; Utility 35.34, up 0.16; 65 stocks 68.86 off 0.03.

Sales totaled 1,630,000 shares compared with 1,630,000 yesterday.

Today's closing prices on selected stocks:

ROLLS DRESSINGS AT 82

New Orleans (UP)—Bernard Romain, 82, has rolled 51,000 wound dressings by hand as his contribution to the war effort. Romain works seven to eight hours a day at a small table overlooking his second-story porch. He estimates that it takes 50 hours to roll 1,000 dressings.

CITY OFFICIALS ENTERTAINED AT VENISON LUNCH

Members of the city council and city officials were entertained yesterday by city firemen at noon yesterday with a venison luncheon in the blue room of the fire hall. The luncheon followed a demonstration of the new city pumper which was tested last week by a representative of the American La France company, manufacturer of the machine and an insurance representative.

Meeting requirements of the representatives, the truck picks up and delivers 1,000 gallons of water per minute and can continue at that rate for at least three hours. Roy Elliott, fire chief, said. The very latest model, the pumper has a four-man cab and 1,750 feet of hose with four hose connections. At present the truck is taken to all fire calls in the city and it is fully equipped with the latest fire fighting equipment, a roof ladder and a 20-foot extension ladder.

Attending the luncheon were Mayor C. A. Meeker, Councilman Tom Bradley, Henry Herman, Harvey Fields, Harold Fry and City Superintendent Frank Rogers, City Attorney Frank P. Farrell and Police Chief Clatus McCredie.

LIGHT RAINS NOT TO SLOW HARVEST

Light rains fell over the valley last night and today but it was not believed the storm would hamper pear harvesting, according to C. B. Cordy, assistant county agent.

Picking of Bosses, Comice and Winter Nellis are now in final stages and harvesting is expected to be over by Nov. 1. Many plants are storing Bosses and other varieties to be packed later.

Long stretch of Indian summer weather here has greatly aided harvesting of the record-breaking crop. Clarence Pankey, of the Reter Fruit company and long time local resident, reports he has never seen a fall so favorable for pears.

CONCHIES FADE UNDER JEERS OF SERVICE MEN

Washington, Oct. 16—(UP)—Under the jeers of a dozen soldiers, sailors and ex-servicemen, a group of pickets today ceased parading in front the Justice Department on behalf of conscientious objectors in federal prisons.

Police said the pickets left quietly and that there was no violence. "We just told them to get out and they did," a young ex-GI said.

SLUM BILLS WANTING
Chicago (UP)—American cities must have state legislation which assures local government control if they hope to do a sound job of rebuilding slum areas, according to the Urban Land Institute, an independent research and educational organization devoted to urban planning. Many of the bills now pending before state legislatures throughout the country fall short of adequate planning standards, the Institute said.
