AS ADVERTISED IN  
HARPER'S BAZAAR

In Topcoats, the word is—  
**TOURCOTE!**

Men's  
Shop

You probably know this already. For years our Tourcote customers have been sending their friends to ask for one of these famous topcoats. The reasons why are simple—warmth without weight from their all wool blend of mohair, alpaca and wool; woven by the renowned Continental mill especially for our 95-year famous Rochester-tailors—Michaels-Stern. The attractively low price finishes the story except for your long satisfaction in wearing a TOURCOTE!
