Boy Scouts of the Crater Lake area are making plans to assist with the next victory loan drive, which opens Monday, according to Gordon Gilmore, Scout executive for the council. The nearly two million members of 59,293 troops and cub packs throughout the nation aided with every finance program during the war the executive states, and will now aid the victory drives in the same manner. By personally buying bonds and stamps and obtaining pledges of purchase from others, the Scouts have been responsible for more than \$1,800,000,000 sales during the seven loan campaigns, according to a statement from Dr. Elbert K. Fretwell, chief executive of the Boy Scouts of America.

Mr. Gilmore has been notified that a new emblem has been designated for award to troops and cub packs with at least 90 per cent of its membership buying bonds and stamps on a regular basis and obtaining pledges from a like number of persons during the campaign. The emblem contains the flaming torch of Liberty which has been chosen as the official insignia of the Victory Loan. The emblem reads "Boy Scouts of America" and "We did our part in the Victory Loan."

CAMP CIVILIANS GIVING TO CHEST

Camp White civilian employees have contributed a substantial sum towards the Community Chest and victory fund campaign according to the report of A. L. Hadley, chairman of the camp campaign, and Otto Frohmayer, general chairman. Several sections of the camp donated 100 per cent, Hadley reports, and many contributed the traditional one day's pay.

Hadley, personnel employee's relations officer, states that he was assisted in the campaign by several solicitors, including Jack Gill, Esther M. Larson, Dale

Sawyer, Azalea Andrews, Leona Webb, Georgia Russell, Ruth Carr, Barbara Helm, Mabel Rogers, Marion Moore, Grace Simmons, John Elson, Chester Thompson and Florence Sullivan.

LOGGER INJURED WHEN LOADING AT PROSPECT

E. A. Jennings, route 2, box 341, Ashland, suffered severe fractures of both legs in a logging accident at the Charles Skeeters logging operations near Prospect shortly after noon yesterday.

Jennings was putting a binder on a load of logs when the accident happened. A dog apparently slipped and knocked him down, the investigation showed. He was taken to the Sacred Heart hospital in the Conger-Morris ambulance.
