

## FIRST 1946 FORD BEING SHOWN AT CRATER MOTORS

The first of the 1946 model cars makes its debut in Medford today with the preview of the new Ford V-8 at Crater Lake Motors. An open house will be featured today until 9 p. m. and all day Saturday, according to Clarence Winetrot. The showing will be held in the showrooms of the company at Sixth and Ivy streets, but with the new hand-some of Crater Lake Motors now under construction at Main and Fir streets, Ford, Mercury and Lincoln-Zephyr sales and service will be transferred to that new location early next year.

J. R. Davis, director of sales and advertising, said that the company long had planned to be first in public display of automobiles.

He said it had been hoped that prices of the new cars could be announced at the time of the public showing, but now it doesn't appear as though a price would be received from OPA by that time. Consequently, dealer deliveries to the public apparently will be delayed.

"Ford production is rolling now and if we can go ahead unhampered, we should have hundreds of Fords in every sales area within a few weeks," Mr. Davis said. "We will continue to seek a price arrangement so persons who want to buy Fords may do so as soon as possible."

### WEATHER

The banquet will be held in the lodge dining hall starting promptly at 7 p. m. All members of other lodges are invited. A special invitation is extended the many new initiatory degree members.

After the banquet Grand Master Russell will present thirty and thirty-five year jewels to eighteen who have been Odd Fellows for thirty years or more. Past Grand Master F. E. Roys of Connecticut, will assist in the presentation.

An initiatory ceremony will be conferred on a class of candidates. It will be the third consecutive initiatory ceremony.

## OREGON GRANTED CHANCE TO WIN

Los Angeles, Oct. 26—(U.P.) A favored, but again outweighted University of California at Los Angeles football team will be host tonight to the University of Oregon, whose coach, Tex Oliver, made history in 1939 by coaching one whole game from a stadium press box.

Cal Rossi, UCLA's flashy right halfback, Tackle Herb Boom and Center Marion Childers all starters and all V-12 trainees, will be playing their last game of the season for UCLA. They are scheduled for transfer to Harvard as midshipmen.

The hot and cold Webfoots stand a good chance to beat the Bruins, if they play their best ball. Last week, with backs Jake Leicht, Bobby Reynolds and Walt Donovan flashing great form, Oregon upset Washington State, 26 to 13.

Another loss for UCLA will eliminate the Bruins from any possible Rose Bowl consideration.

**SEEK MORE MONEY**  
New York, Oct. 26—(U.P.)—Members of the contest board of the American Automobiles association said they would take preliminary action today on suggestions by racing car owners and drivers that prize money be increased at AAA-recognized races.

### STATERS LOSE BACK

Corvallis, Ore., Oct. 26—(U.P.) Oregon State was without its first string quarterback today following the departure of Bob Hamblin, former Portland high school ace, who is reporting to Cal. Tech. for training under the navy V-5 program. Coach Lon Stiner said he would fill the gap with John Karamanos, sophomore from Portland.
