

"I'm glad I waited for a SURGE"

We hear those words every day from farmers who struggled along as best they could until a Surge was delivered. Thousands of satisfied Surge users will tell you that Surge is a fast milker... the kind that gets more milk and maintains healthier udders. That kind of fast Surge milking is well worth waiting for.

And... backed up by Modern Surge Service... the kind that makes your SURGE keep right on being a good milking machine.

HUSKIES HUMBLE TROJANS 13 TO 7 BY FLAT PASSES

Seattle, Oct. 27—(U.P.)—Washington's fast moving Huskies humbled the powerful University of Southern California Trojans today 13 to 7 with two flat passes that nullified USC's powerful running attack.

Unable to check the smashing plunges of Southern California's heavy backfield, Coach Welch's squad outweighed 21 pounds to the man, scored in the second period when Hein scooped in a long pass to the Trojan 21-yard line to gallop across the USC pay stripe standing up.

Southern California took over the game backing their lighter opponents down the length of the field almost at will. Washington desperately tried to stop the Trojan's grinding plunges but just before the period ended USC took the lead when Half Tannehill ripped through the center of the line from the one-foot stripe to score, adding the point after touchdown.

The Trojans threatened twice in the third period with rolling overland drives that carried them to within scoring range but climatic fumbles broke up the push.

In the fourth period the Washington backfield got its chance. A Washington attempt to flank the Trojan line failed but Southern California elected to kick after gaining possession of the ball on an intercepted pass. Washington ran the ball back 13 yards, and swivel hipped Gordon Hungar gained another eight. USC was penalized and the Huskies got the ball on the Southern California 23-yard stripe setting the stage for Wash-

ington's next score. Washington worked the ball into position in front of the goal post on Southern California's 10 yard mark. Coach Welch sent his star kicker, Dash, into the game as if to try a placement and the Trojans were caught flat-footed when Dash caught a flat pass to Hungar in the end zone. Dash added the point after touchdown to clinch Washington's lead.

IDAHO, MONTANA SUFFER DEFEATS

Freshman Bill Lippincott paced a revived Washington State college team to a 21-0 victory over a determined but outclassed Idaho University eleven here today and moved back into the Pacific coast conference win column after two straight set-backs.

MONTANA LOSES
Farragut, Ida., Oct. 27—(U.P.)—A Farragut navy football team defeated Montana University 21-13 here today with a thrilling fourth quarter featuring two navy touchdowns and a 95 yard run kickoff by Grizzlies Quarterback Harry Thompson for six points.

Ashland Loses To Coos Bay Gridders By 1-Point Margin

Ashland, Oct. 27—Coos Bay high school eked out a 7-6 football victory over an over-confident and complacent Ashland high eleven here last night.

Ashland scored in the opening minutes of the first quarter when Peterson, tackle, blocked a Pi-rate punt on the visitors' 14, Williams going over two plays later. Try for point was no good.

Coos Bay scored a few minutes later after an intercepted pass and Klaser place-kicked the extra point.

Coos Bay had failed to score a touchdown all season.

Fine punting by Maine kept the Grizzlies in their own back yard most of the time. Ashland had the ball on the opponents' six when the game ended.

Talent Wins 22nd Consecutive Game

Jacksonville, Oct. 27—Talent high school's six-man football team chalked up its 22nd consecutive victory in defeating Jacksonville here Friday 21 to 0. The Talent aggregation, displaying an effective pass offensive, held a 7 to 0 edge at the end of the half.

Both teams played hard, aggressive football. Roland Parks and Don Faber were officials.

Red Cross Activity Of Jackson Chapter Reviewed by Leader

Jackson county chapter, American Red Cross was reviewed last week by Miss Adelaide Nelson, general field representative, who held conferences with all corps chairmen and units during her five-day stay here.

Miss Nelson was enthusiastic about the quality and quantity of work accomplished by the chapter. She told of many ways in which the National Red Cross is expanding its program to meet the new demands of victory.

"The country as a whole is under the misapprehension that volunteer services are no longer needed now that the war is over," Miss Nelson said. "However, the war is not over for us until the boys are home, the hospitals empty, the men replaced in civilian life. Every corps must expand to meet the demands of peace."

Miss Nelson was guest of honor Thursday at a luncheon given by Mrs. Alfred S. V. Carpenter at the Outpost at which 16 chapter services were represented.

ALASKA

Today's Land of Real Opportunities!
Now you can learn the real facts about Alaska. Our big three-way bargain offer gives you all this:

ALASKA LIFE Magazine, published monthly; packed cover to cover with stories, articles and pictures. One-year subscription, \$2.50

U.A.L. Officials Arriving Oct. 31 For Inspection

A party of United Air Lines officials from the company's Chicago headquarters, headed by J. A. Herlihy, vice president in charge of operations, will arrive here October 31 to inspect company facilities and meet with employees and local supervisory personnel according to word received by Max Henne, station manager for United here.

In the group, besides Herlihy, will be Harold Crury, vice president-traffic; J. W. Newey, vice president-finance; Col. A. Tuttle, medical director; E. P. Lott, director of design, buildings and airports; O. C. Richerson, regional manager of operations; San Francisco; D. C. Lynch, assistant to Herlihy; H. F. Barnes, manager of passenger service; western divisions; L. N. LaPointe, regional superintendent of design, buildings and airports; western division; W. C. Mentzer,

chief engineer, and J. W. Eberly, western personnel director. Herlihy said the trip is in line with United's policy of having general headquarters officials familiarize themselves periodically with the company's system of operations by such group trips in addition to frequent individual visits to points along the company's system.

ACME DRY CLEANERS REOPENING MONDAY

Jack Thurman, owner of the Acme Dry Cleaners, 1728 North Riverside avenue, announces that he is reopening the plant Monday. Thurman operated the plant for five years before joining the navy three years ago. He has just received a discharge. The modern plant has been completely remodeled, new equipment has been added and a full crew will be ready to give fast service, Thurman said.

Nearly 60 per cent of the land of Poland is arable.
