PFC. ROBERT KYLE WINS BRONZE STAR IN HEROIC ACTION

Pfc. Robert F. Kyle, Jr., a son of Mr. and Mrs. Robert F. Kyle, Sr., 609 South Oakdale avenue, has been awarded a bronze star medal for heroic action during the European campaign according to information received by his parents from headquarters of the 100th Infantry division. Pfc. Kyle is now in Pforzheim, Germany.

The citation reads in part: "For heroic action on Nov. 5, 1944, in the vicinity of St. Remy, France. When, during the drive toward Etival, the commander of the lead company asked for a man to evacuate the wounded and bring up ammunition, Pfc. Kyle volunteered. For the remainder of the day and night Pfc. Kyle made repeated trips over the treacherous enemy shelled road, carrying casualties to medical installations and bringing vitally needed ammunition to the front lines. Engineers removed three hostile teller mines from the road in the morning.

"The courage and steadfast devotion to duty displayed by Pfc. Kyle contributed materially to the company's success and reflects great credit upon himself and the army of the United States. He entered military service from Medford, Ore."

The young man holds in addition to the newly awarded bronze star the purple heart, combat infantryman's badge, one battle star, the good conduct medal and presidential unit citation. He was recently appointed assistant to the editor in charge of compiling a history of his regiment, the 399th Infantry, and the two soldiers were declared the two most essential men of the regiment and their return home consequently delayed.

Pfc. Kyle has been overseas since October of 1944.

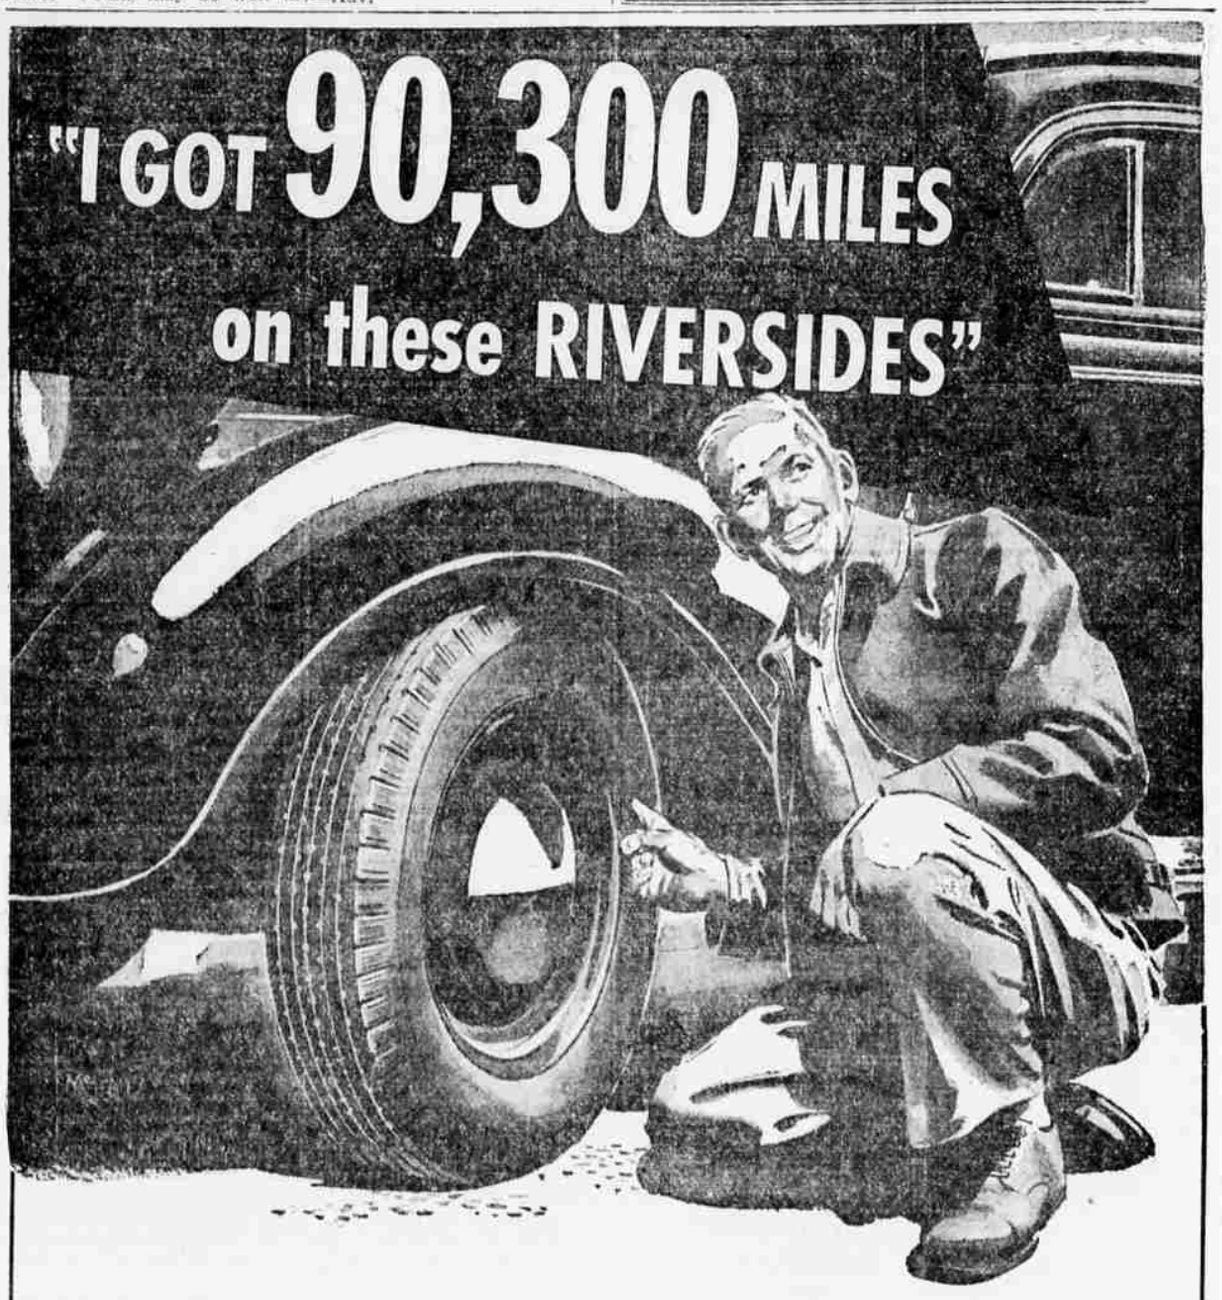
"I GOT 90,300 MILES on these RIVERSIDES"


". . . and they're good for a couple of thousand more!"
That's what Mr. H. B. Lovett, 22046 Negaunee, Detroit, Mich. thinks of Riversides. That's what he wrote our Dearborn, Mich. store in a completely unsolicited letter. Needless to say, Mr. Lovett has *never* regretted the day he switched to Riverside Tires.
When *you* see Riversides on a car, just remember this; those Riversides did *not come* on that car when it was new. They were *deliberately chosen* to *replace* some other brand of tire. (That couldn't happen so often . . . without some mighty good reasons!)
