**PECKHAM ACCEPTS VOICE INSTRUCTOR WORK AT SEATTLE**

George Peckham, former Medford resident, was a recent visitor at the home of his parents, Mr. and Mrs. George F. Peckham, 219 Beatty street. At the termination of his army service Peckham accepted a position as a teacher of voice with the Cornish School of Fine Arts in Seattle.

Mr. Peckham, a basso, whose voice was discovered by the late James Stevens—beloved Medford baritone of national fame—was soloist at the First Church of Christ, Scientist of Seattle, staff artist on the NBC and CBS outlets, and appeared in concerts and opera throughout the northwest before entering the army.

His three years of army service included a period with the medical corps, following which he was transferred to the San Antonio aviation cadet center in Texas, where his knowledge of radio gained him an assignment as a code instructor in the pre-flight school. He was promoted through the ranks to the grade of staff sergeant before taking examination and receiving his appointment as warrant officer.

Peckham was kept busy as featured soloist at the camp. Some of his most interesting experiences—besides entertaining in army hospitals, chapels, and Red Cross recreational units—included working as featured soloist with such famous Hollywood and radio stars as Edgar Bergen, Don Ameche, Martha O'Driscoll and Joan Merrill on a huge bond rally. Peckham also made personal appearances with Jaque Abrams, concert pianist, Jinx Falkenburg, Claud Stroud—of

**RAIN, FALLING LEAVES CAUSE DRAIN PROBLEMS**

Rains and falling leaves of the past 10 days have produced drainage problems in many sections of the county with back waters of road ditches, creeks and irrigation ditches flooding orchards and roads.

A half dozen orchardists of the Arnold Lane district conferred with County Engineer Paul B.

Rynning today relative to the waters of Dalsey Creek and clogged ditches that overflowed. It was explained the county would clear the road ditches as soon as possible. In some orchards the irrigation ditches have
