AN IMPORTANT DATE FOR THOUSANDS OF ARMY VETERANS NOW IN CIVILIAN LIFE

BETWEEN now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new peacetime Regular Army. Because—men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held at the time they were discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"

Can you think of any other job that gives you good pay, food, clothing, quarters, medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of 200 skills or trades, and enables you to retire with a life income any time after 20 years' service?

There isn't any! That's why a job in the new peacetime Regular Army has been called "The Best Job in the World."

These are only highlights of the new Armed Forces Voluntary Recruitment Act of 1945. Every American should know the full story. Stop at your Army Recruiting Station and get all the facts.

- HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM**
- Enlistments for 1½, 2 or 3 years. (One-year enlistments permitted for men who have been in the Army six months.)
 - Enlistment age from 17 to 34 years inclusive, except for men now in the Army, who may reenlist at any age, and for former service men, depending on length of service.
 - Men reenlisting within 20 days after discharge and before February 1, 1946, retain their present grades. The same applies to men discharged between May 12 and November 1, 1945, who reenlist before November 21, 1945.
 - The best pay scale, medical care, food, quarters and clothing of any army.
 - An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
 - 20% extra pay for overseas service.
 - A paid furlough (up to 90 days depending on length of service) with furlough travel paid to home and return, for men now in the Army who enlist.
 - A 30-day furlough every year at full pay.
 - Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
 - An increase of 5% in pay for every 3 years of service—in addition to the many other promotions possible.
 - Option to retire at half pay for the rest of your life after 20 years' service—or three-quarters pay after 30 years' service. (Retirement income in grade of Master Sergeant up to \$155.25 per month for life.) All active federal military service counts toward retirement.

Wall Street

New York, Nov. 5—(U.P.)—Stocks encountered a bit of irregularity early today but quickly resumed the uptrend when President Truman demanded a plan to achieve peace between labor and management.

Wall Street particularly liked the president's statement that he hoped "to give up the president's wartime powers as soon as possible."

Prices rose fractions to more than 2 points. Some special issues gained as much as 7 points. American Telephone spurred more than 2 points to a new high on investment buying. Investors also bought several of the preferred issues. Prospects for further increases in retail trade aided the mercantile shares, many of which made new highs.
