

# MOBILE X-RAY DATES TOLD AT HEALTH MEETING

Mrs. Dunbar Says Unit To Arrive Nov. 26—X-Rays Of Men Particular Urge

Definite dates for arrival in Jackson county of the mobile X-ray unit were announced Wednesday night, when Mrs. Saidie Orr Dunbar, executive secretary of the Oregon Tuberculosis association, met with representatives of various localities, organizations and industries of the county at dinner at the Hotel Medford.

The unit, which is heralded throughout the state as the most forward step in history of the eradication of tuberculosis, comes into this county Nov. 26 from Grants Pass. It will be

stationed in Medford for work Nov. 29 and 30 and Dec. 3 and 4. The other dates in the schedule are Nov. 27 at Gold Hill; Nov. 28 at Central Point, and Dec. 5 and 6 at Ashland.

An enthusiastic welcome greeted Mrs. Dunbar's news, as she told the history of the mobile unit in inspiring words. "This," she declared, "is probably the most exciting thing to happen in the history of public health in Jackson county. This is a survey, not a clinic, not a diagnosis, we want particularly to concentrate on X-raying men between the ages of 35 and 55, for we have found our highest death rate in Oregon from tuberculosis in this age group."

Mrs. Dunbar was introduced to the group by Mrs. Elwood Hedberg, president of the Jackson county Public Health association, which is sponsoring the survey here. In introducing the speaker, Mrs. Hedberg emphasized again that the X-ray pictures will be made without cost to any individual. That they are paid for by the Jackson county Public Health association, as part of the public health program.

Mrs. Dwight Findley of the junior health group, will act as chairman of the county drive, her immediate assistants to be Mrs. Robert C. Hart and Mrs. Kenneth Demman of Medford; Mrs. Dom Provost and Mrs. Jas. C. Miller, Jr., of Ashland; Mrs. John Clark of Central Point, and Mrs. Norman Gall of Gold Hill.

Support promised from the cities of Medford and Ashland in the campaign to get the best possible response from the public was promised by Mayor C. A. Meeker and Mayor Thornton Wiley. Organized labor was represented by Don Stansell, who pledged one hundred per cent cooperation.

The urgent need for survey-

Keeping Fit. Victory Bonds will help provide funds for body building exercises at Navy's Santa Cruz hospital while seamen regain health after suffering from wounds.

U. S. Treasury Department

ing the men to whom Mrs. Dunbar referred was also stressed by Dr. A. E. Merkel, Jackson county public health officer. Both pointed out that it is the men of these ages in all walks of life, who seem to have been neglected by the public health program. They have come under none of the previously scheduled surveys. It is in this group that the hidden cases have been revealed for the most part by the X-ray. And the cases have not been confined to any one class, Mrs. Dunbar declared, the banker is just as apt to have it and not know it as is the man at the wheel of a truck.

## Need Filled

When the war emphasized the need for a better diagnosis of tuberculosis the X-ray, Mrs. Dunbar said, seemed to be the answer to the prayer for finding hidden cases. Then came the mobile X-ray unit, which made such a program financially possible. It is equipped with two X-ray technicians, a dark room and the chauffeur. The X-ray films are sent to Portland immediately and are read there by four X-ray specialists. If there are findings, which indicate any type of trouble in the chest the reader asks for a larger picture, a 14x17 film, and this is also financed by the public health association. The information obtained is forwarded to Dr. Merkel, only, as public health officer. If there is any reason to follow up the case the individual is referred to his private physician.

The Rosicrucian temple in San Jose is a replica of an Egyptian grotto temple of the 17th and 18th dynasties.

# SAILOR GUILTY OF AUTO THEFT

Edward R. Gunger, Camp White sailor, entered a plea of guilty to stealing an automobile belonging to Dr. W. W. P. Holt in Circuit Court today and his case was taken under advisement and postponed to a future date.

Gunger and four other sailors drove the stolen vehicle to a football game in Grants Pass Oct. 11 and on their way back to Medford stole a tire from an army staff car which had been stolen from the Medford Army Airfield and wrecked near Gold Hill, it was stated.

The Holt car was found later that night at Camp White with the radiator still warm, indicating to officers that it had been used recently. An investigation was started which resulted in Gunger's arrest. In the Holt car was found the doctor's medical bag, navy blankets and navy silverware. The car had been daubed with paint in an effort to disguise it.

## Inquiry Asked In Navy Order to Fly Through Typhoon

Washington, Nov. 8—(U.P.)—Rep. Walter C. Ploeser, R., Mo., demanded today that the navy investigate reported disciplining of six navy airmen for refusing to fly through the recent Okinawa typhoon.

He said in a letter to Secretary of Navy James Forrestal that he had heard a navy captain intended to take away the fliers' wings and keep them on Okinawa for another 18 months.

"This is a very serious charge," he said. "Some of the men involved are eligible for discharge under the navy point system."

## Gus Edwards Dies Of Heart Attack

Hollywood, Nov. 8—(U.P.)—Gus Edwards, 66, song writer and stage producer known as the "Star Maker" who died here last night of a heart attack, was mourned today by the movie and entertainment celebrities he discovered and encouraged.

He had been ill and in retirement for seven years. Edwards wrote scores of popular songs, including "School Days," his greatest hit.

## OBITUARY

**NOVA SIMPSON HASTINGS**  
Nova Simpson Hastings, of Trail, passed away there on Tuesday. Mr. Hastings was born in Sullivan County, Missouri, March 29, 1860.

His wife, Mrs. Betty Hastings preceded him in death in 1925. Surviving are two children, Mrs. Zella Tullis, Trail, and Homer Hastings, Coeur D'Alene, Idaho, also one grandchild, Mrs. Harry Good, Prospect, Oregon.

Funeral services will be held at the Trail Community Church Thursday at 2 p. m., with the Rev. Wood officiating. Interment will be in Trail cemetery. Perl Funeral Home is in charge of arrangements.

**SUSAN LEE KURZ**  
Susan Lee Kurz, infant daughter of Mr. and Mrs. Henry W. Kurz, passed away in a local hospital Nov. 7. Private services will be held at Medford I. O. O. F. cemetery today. Perl Funeral Home in charge.

## EDWIN S. HITZLER

Funeral services for Edwin S. Hitzler, whose obituary appeared in Wednesday's paper, will be held in the Conger-Morris chapel at 2 p. m. Friday with the Rev. Louis C. Kirby officiating.

Mr. Hitzler was a devout member of the Methodist church. Fraternally, he was an active member of the local Masonic lodge and held membership in its various bodies including 32 degree Scottish Rite and Royal Arch.

He was endowed with a high sense of honor and held in high esteem by all who knew him.

Medford A. F. & A. M. lodge will assist in the final rites and interment will be in Jacksonville cemetery.

**ROBERT D'ARMOND**  
Funeral services for Robert DeArmond, 86, and pioneer resident of Jackson county, will be held in the Conger-Morris chapel at 1:30 Saturday. The Rev. Harry Hansen of the Presbyterian church will be in charge of services.

Final rites will take place in Medford I. O. O. F. cemetery.

Since engine parts don't grow on trees, Protect yours now with anti-freeze

The best way to avoid the trouble and expense of a freeze-up is to have your car's cooling system checked over and protected with dependable Du Pont anti-freeze. Why not do it today, before you have a chance to forget?

\$1.40 a gal. War Emergency "Zerone" gives thorough protection against rust and corrosion as well as freezing. Until regular "Zerone" returns (this season's production went to war), there's no better buy at the price. Remember, it's made by Du Pont.

\$2.65 a gal. A limited supply of "Zerex," Du Pont's non-evaporating anti-freeze, is now available. "Zerex" won't boil out. One filling lasts all winter. Gives complete protection against rust and corrosion—won't form sludge or clog radiators.
