## TORNADO SWEEPS OVER GRIZZLIES BY 52-0 MARGIN

Medford Scores Twice In Each Period To Run Total Points For Year To 452

Site and date for a play-off between North Bend and Medford for championship of district 2 and right to enter semifinals of the state football play-off were undecided at a late hour last night. Officials of the district were expected to have an announcement first of the week.

Pushing their season scoring record to 452 points against their opponents' seven, Medford's Black Tornado trounced Ashland high 52 to 0 here last night to clinch the Southern Oregon conference title and stay in the running for the state championship.

After taking the opening kickoff and being held for downs, Ashland punted and Medford took the ball on their own 17 yard line and began a

march which carried them 83 yards in eight downs, terminating when Dazlin Jerry Clark crashed into the end zone from the nine yard line for the first touchdown.

Glenn Bostwick, speed-demon left half, was injured on the second play of the game and will be out for at least two weeks. Coach Al Simpson said yesterday. Bostwick threw a shoulder out of place when he tackled Len Williams, Ashland fullback. Muscles were pulled slightly and a nerve was pinched.

Bill Singler, who replaced Bostwick and played a whale of a ball game for the rest of the evening, accounted for his team's second score in the opening quarter when he crashed off tackle for 10 yards to reach pay dirt. Watson, as after the first touchdown, added the extra point and Medford led 14-0 at end of the initial period.

The Tornado added two touchdowns in each of the remaining three quarters while the Grizzlies threatened only once; late in the fourth stanza only to have a touchdown by Ed Beare called back on a clipping penalty. Ashland penetrated Medford territory only twice during the game.

The whole Ashland team played a great game despite the overwhelming odds against them and never once gave up trying to reach the last white stripe. They were paced by the seemingly bull-strengthened Williams who was always a break-away threat and repeatedly tossed passes with "touchdown" written all over them only to have the receiver tripped up by an alert Medford defensive man. Tommy Newton was a standout in the Ashland forward wall at tackle and many times broke up Tornado plays that had eluded his teammates.

Medford's defensive tactics were considerably improved over the Bend contest here last week. Nick Greene, Glenn Tingley, Lynne Bessonette, and Howard Whillock broke up several tricky Ashland plays by diving through the line and catching the ball carrier before he had a chance to get started.

## HUSKIES BEATEN 7-6 BY BEAVERS, GRAY LEADS WAY

Ex-Roosevelt High Star With Passes and Bucks Scores Victory

Seattle, Nov. 10—(U.P.)—Seventeen-year-old Dick Gray, flashy Oregon State left halfback, virtually wrecked the Washington Huskies' Rose Bowl hopes today when he churned over the Husky goal line with four minutes left to play in the last period, paving the way for a 7-6 Beaver victory.

Rated as pre-game underdogs, the Oregon State eleven stopped the vaunted Washington squad cold on a rain-soaked field throughout the first half.

After two Washington drives carried to within inches of the OSC goal line in the last half and a third offensive gave the Huskies a 6-0 lead in the fourth period, OSC's freshman halfback opened up with a series of flat passes that won the ball game.

Starting from his own 31, Gray rifled a pass good for seven yards, following it with a second that went to Washington's 45. Switching to a ground attack, Quarterback Karamanos fed the ball through the Washington line to the Husky 35.

Gray shot a pass to Right Half Hartman who twisted his way to Washington's 26.

With the stunned Huskies set for another pass, Gray tucked the leather under one arm and galloped through right guard to Washington's 10. The former Portland Roosevelt high school star bucked through to the three-yard line but was set back to the 15 on an offside.

Before Washington could recover footage on the muddy turf, Gray tore loose again, bursting around left end for 12 and a first down on the three-yard stripe. He smashed over on the next play to even the score and Stan McGuire, OSC's left end, booted the extra point.

**BOWLING**  
Medford bowlers took three straight games over the El Rogue team of Grants Pass at the Medford alleys Friday night. Roy Pruitt was high score man for Medford with 562 for the three games and Hillius led the visitors with 511.

San Francisco's county government was established April 1, 1850, and incorporated April 15.

Don Waldron and Al Kircher were knifing and slicing almost to perfection all the time they were in the game, breaking up a lot of attempted end runs. Even the second, third and fourth teams had the Indian sign on the Grizzlies and kept things pretty much under control.

## DAVIDSON ISSUES MASK CHALLENGE

Harold (Blood and Guts) Davidson has issued a challenge to the Gray Mask for the main event of next Thursday night's wrestling card, Promoter Mack Lillard said yesterday. Davidson has a long-standing grudge to settle with the Hood and figures to go all-out to trounce "Old Stoneface" if he will get in the ring with him.

## Independent Hoop League Is Planned

Medford Athletic association has called a meeting for Wednesday night for all persons who are interested in sponsoring either an independent southern Oregon or all-city basketball league for the winter months. The meeting will be held at the Jackson county Chamber of Commerce office at 8 p. m.

The Medford Craters, sponsored by the association, will hold their first workout at the Jackson school gym tomorrow at 7:30 p. m. Practice will end early enough to enable players to attend the Armistice day dance, it was announced.

Shasta is the oldest town in the northern section of California.

## COUGARS BATTLE FROM BEHIND TO CONQUER OREGON

Fourth Period Lead Nullified By Lippincott — Blocked Punt Costly

Pullman, Wash., Dec. 10—(U.P.)—Washington State College came from behind in the final period to dump the University of Oregon 20 to 13 before 7,000 football fans here today, and in the process galloping Bill Lippincott gave Oregon's Jake Leicht a lesson in gridiron science.

Trailing 6 to 13 when the final period opened the Cougars capitalized on a blocked punt for the tying touchdown and followed their star halfback, Lippincott, 13 yards to the one foot line, from where Eggers plunged over with the winning tally midway through the period.

Oregon's first touchdown came one minute before the initial period ended, when back Donovan plunged over from the 4 yard line. Leicht's pass to end Anderson on the eight yard line set up the following two yards to pay dirt. Leicht tried to run for the extra point but was pushed out of bounds.

Shortly after the second period opened, WSC's back Eckert, made a spectacular 51 yard run down the sidelines before being hauled down on Oregon's 10. A showing penalty sent the Cougars looped to the 25, but Lippincott backed a beautiful pass into the waiting arms of substitute end Brown, who stood in the end zone and pulled it in. Walker's try for the extra point went wide.

Three minutes later, Leicht uncocked a long pass to Anderson in WSC's end zone and Kaufman's conversion was good, giving Oregon a 13-6 margin at half time.

Washington State found its stride in the opening minutes of the final quarter after tackle Rod Giske blocked Gillis' punt on the Oregon eight yard line. Coaching from the sidelines, an Oregon blunder, brought the ball to the one yard stripe and from there Eckert plunged over his left tackle for a touchdown. Reserve fullback Cooley booted the tying conversion.

Lippincott again paced the Cougars to the winning touchdown a few minutes later when he sneaked off center and dragged three Oregon tacklers 13 yards to the one foot line. On the next play, Eggers took the ball over on a quarterback sneak. Cooley again converted and placed the game on ice for WSC.

## TROJANS DEFEAT CALIFORNIA 14-0

Los Angeles, Nov. 10—(U.P.)—The University of Southern California today pushed the University of California out of the path of its third straight Rose Bowl nomination, 14-0, before 35,000 fans at the Los Angeles Memorial Coliseum.

USC completely dominated the play in a dull game, USC's second victory over California, the first coming in an equally uninspired contest at Berkeley earlier this season.

The victory left the winners in the race for the Rose Bowl bid, with their final contest against the University of California at Los Angeles likely to decide the West coast representative for the New Year's day game.

Ted Kenfield sparked the northern team to a slightly more diversified offense than it has shown in most other games, but the visitors were unable to gain with any consistency.

USC meanwhile was able to capitalize only two of its many scoring opportunities with punts

bles and other misplays preventing any sustained attack. Most limestone comes from depositions of calcareous shells, laid down on prehistoric ocean bottoms millions of years ago.
