## *Pendergast Heads Toastmasters At Next Club Meeting*

At next Monday's meeting of the Medford Toastmasters' club G. C. Pendergast will act as toastmaster and Dr. F. J. Moffatt will furnish table topics and act as topicmaster. The 10-minute oration will be given by Ed Drysdale, the seven-minute talk by Dr. C. G. Van Valzah and the five-minute speech by Pat Graham.

Due to the holiday, the club canceled yesterday's meeting.

Harold Burelson, president of the group, advises that some study is being given to opening up the membership limitations, possibly to the point where two separate limitations, possibly to the point where two separate clubs might be formed so that intra-city meetings may be brought about from time to time. Anyone interested in observing the procedure of this self-improvement club is urged to contact George Davis, secretary, who will make arrangements.

## Wall Street

New York, Nov. 13—(U.P.)—Belief that recent market advances would force changes in utility holding company break up plans favorable to stockholders brought a scramble to purchase these stocks today. Utilities made new 14-year highs and the whole stock market firmed on active turnover.

Commonwealth & Southern, which a year ago sold at 75 cents a share, opened 100,000 shares on the big board at $4 and then rose to $4.25, a new high and a gain of 75 cents a share. On the curb the warrants of this company had a turnover of around 500,000 warrants.

All low-priced utilities were heavily traded on the big board and the curb. Some dozen curb stocks accounted for more than half of this volume and most of them were utilities.

Preliminary closing Dow-Jones stock averages: Industrial 190.56, off 0.81; Railroad 61.85, off 0.57; Utility 38.13, off 0.30; 65 stocks 71.28, off 0.43.
