

TRY 42 GERMANS IN DACHAU CAMP ATROCITY DEATHS

Wrangle Opens Hearing in Alleged Wholesale Cruelties, Fatal Experiments.

Dachau, Nov. 15—(U.P.)—Forty-two Germans went on trial before a U. S. military government court today on charges of murdering thousands of persons at the notorious Dachau concentration camp by torture, starvation and sadistic experiments.

The Dachau atrocity trial opened with a legal wrangle in which defense counsel challenged the court's jurisdiction and the way in which the charges were drawn up.

Wholesale Cruelties
The Nazi defendants were accused of wholesale cruelties, mistreatment, beatings and fatal experiments involving Allied war prisoners and civilians at Dachau.

One of the leading defendants was Dr. Klaus Karl Schilling, whose malaria experiments were alleged to have killed 1,100 to 3,000 persons.

Another defendant was Dr. Fritz Hintermayer, accused of murdering 900 persons and driv-

ing another 1,000 insane with his various experiments on "human guinea pigs."

The trial was being held in a refurbished workshop on the grounds of the concentration camp.

NIMITZ EXPECTS TO RETAIN POST

Oakland, Cal., Nov. 15—(U.P.)—Fleet Adm. Chester W. Nimitz, mentioned as a possible successor to Adm. Ernest J. King as commander in chief of the U. S. fleet, said today he expected to retain his Pacific command and hoped that "one of these days, I'll have enough points to get out."

The white-haired admiral who directed naval operations against the Japanese throughout the Pacific war, arrived here from Honolulu en route to Washington, D. C., where he said he would be on "temporary duty" before returning to the Pacific.

He referred to the outbreak of rioting between navy personnel and "gook" hoodlums in Honolulu as "a local incident" and declined to comment on reports by navy officers that Honolulu police were lax in maintaining order until a complete investigation has been made.

ICE ARENA OPENS FRIDAY NIGHT FOR WINTER SEASON

Grand opening of the Medford Ice Arena, 819 South Grape street, will take place Friday at 7:45 p. m., Denny Edge, general manager, announced today. Skating sessions will be held each night with the exception of Monday, and matinee skating will take place Saturday and Sunday afternoons.

Edge also announced that Danny Stewart, who opened the rink with Edge in 1942, and who has been connected with him in the ice arena business for the past 15 years, will serve as rink manager during the season. He is one of the outstanding ice makers on the coast, according to Edge.

Recently discharged flight officer, Bill Fredrick of Medford, is to be in charge of the rink's skate shop.

Plans for an ice show, made up of local talent and members of the Eugene Figure Skating club, to be held sometime in early December, are also being made, Edge said.

Edge, who handled the Oakland Hockey club the past season, set a league record in the southern conference by winning 14 games out of 17 played. His daughter, Ruth, is now in Chicago as a member of the famed Ice Follies.

Birth and Death Follow Collision Of Car and Train

Punxsutawney, Pa., Nov. 15—(U.P.)—The collision of an automobile with a speeding freight train produced a tragedy in which a mother gave birth to a son on a railway embankment while her oldest daughter died screaming in the twisted wreckage of the burning car.

Mrs. Frank Martz, 39, of Ringgold, Pa., and her infant son, although in serious condition, are expected to recover.

hospital attendants said today. The accident occurred yesterday during a dash for the hospital with the expectant mother. The car, driven by the husband, crashed into a freight train at a grade crossing.

Conscious throughout her ordeal, Mary 21, died 20 minutes after she had been removed from the wreckage by the use of an acetylene torch.

Six other children survive.
