HOME PURITY CAKES

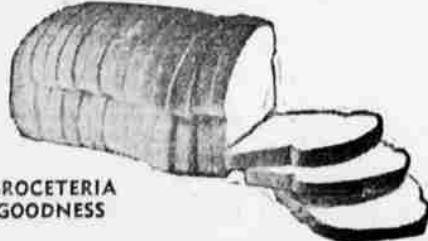

For the WEEK-END

Some folks like to have two kinds of cake—thus giving other members of the family their favorite kind of cake. That's no problem at either Groceteria. Just select two half cakes of any kind and pay the same as for a whole cake.

TURKEYS

Are Mighty Fine This Year!

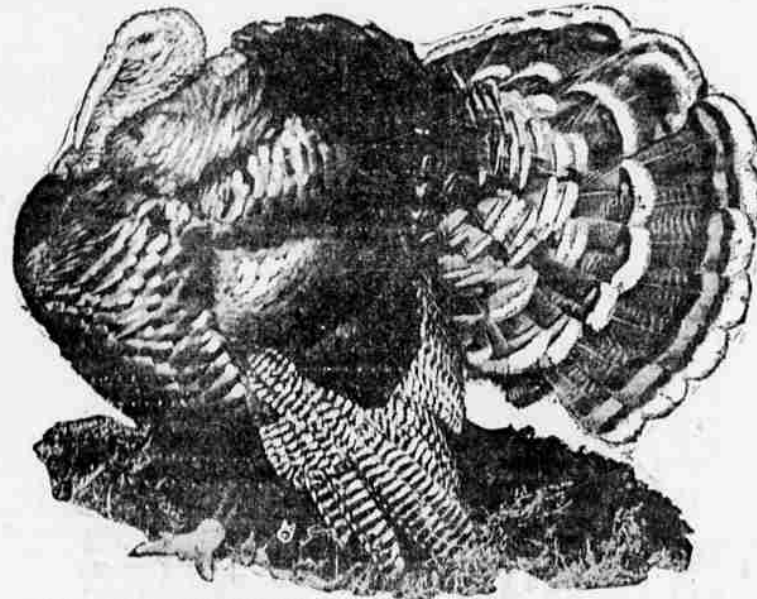

Knowing that your Thanksgiving Dinner is one of the real feasts of the year, we spent a lot of time picking out the Turkeys we felt would give you the best value and make your dinner a most enjoyable one.

After buying Turkeys in the valley for 25 years, we know the good feeders—the folks who fatten them to insure lots of breast meat—good plump thighs—fine tender meat—and who pick them so clean that getting them ready for the oven is so little trouble.
