Hints to help you WIN

You'll think of dozens of names or titles for the folder once you see it. It contains a collection of the newest, simplest, speediest recipes ever developed by Martha Meade. For instance—

Recipes for Speed Cakes. Recipes that cut mixing time in half, and eliminate the creaming of shortening and sugar, and beating of eggs. Make better cakes faster! This one-bowl method's thoroughly tested with Sperry Drifted Snow Flour. It's reliable. (Does that suggest a name? ... Maybe ... "Reliable Recipes" for example.)

Recipe for Speed Rolls. These luscious homemade yeast rolls can be made in the zippy-quick time of 60 minutes! Perhaps this new Martha Meade recipe inside the folder sug-

gests names like "Manual of Speed Baking" or "Guide for Brides." Speed rolls are just another of the fine bakings you can be sure of by using Sperry Drifted Snow Flour and Martha Meade recipes.

Recipe for Speed Pies. Don't just envy good pie makers... be one! Sperry Drifted Snow Flour and the Martha Meade pastry recipe in the folder (with the 7 Speedcuts to Pastry Success) will make you pastry-perfect in no time. We guarantee this or we'll refund double the amount you paid for your sack of Sperry Drifted Snow Flour. Yes, you'll make praise winning pastry every time. There's another sample name for the folder... "Praise Winner."

You'll easily think of other names much better than these. The first one that pops into your mind may be a winner. Send it in as directed below. It may win first prize.

FOLLOW THESE SIMPLE RULES—USE THIS HANDY BLANK

1. Think of a name or title for the recipe-folder in every bag of Sperry Drifted Snow "Home-Perfected" Flour. Print the name you choose for the folder on the handy entry blank at the right or on one side of a plain sheet of paper. Mail entry to Sperry Contest, Oakland, California. Your envelope must be post-marked before midnight, November 30, 1943.

2. The small picture of Martha Meade for her familiar "by Martha Meade" signature must be cut from the recipe folder in sacks of Sperry Drifted Snow Enriched Flour and sent with your entry. You may send as many entries as you wish, provided a separate Martha Meade picture or signature accompanies each entry.

3. Names will be judged on the basis of aptness, uniqueness and originality.

4. The judges will be Professor Gerald E. Marsh of the University of California. The judge's decision will be final and binding.

5. All entries become the property of General Mills, Inc. and cannot be returned.

6. In case of ties, identical prizes will be awarded.

7. Contest is open only to persons living in Arizona, California, Idaho, Nevada, Oregon, Utah, Washington and Wyoming. No person is eligible who is an employee of General Mills or its advertising agencies, or a member of the family of such an employee.
