TORNADO TAKES DISTRICT CROWN WITH 26-13 WIN

North Bend Scores Twice On Southern Oregon Champs; Grant Here

Medford's Black Tornado huffed and puffed its way to a 26 to 13 win over North Bend in the coast city Friday afternoon to annex the district two football championship to their Southern Oregon conference title and earn the right to play Grant of Portland here Thursday afternoon in the semi-finals of the race for the state title.

Medford led 7-0 at end of the first quarter after Fullback Bob Watson went around right end from his own 45 yard line to chalk up the first touchdown. Watson, who carried the ball 28 times of his team's 43 plays, kicked the extra point.

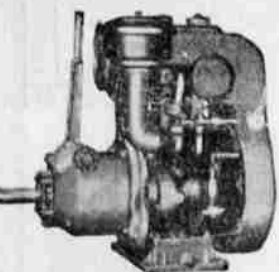

Seven plays after the second period opened Watson again crossed into pay dirt, from 10 yards out and made the extra point to give his club a 14-0 lead. North Bend threatened late in the second quarter when they recovered a Medford fumble on the Bulldog 35 and advanced it to the Medford 25 as the period ended.

North Bend took the kickoff opening the second half and, after failing to gain on four successive plays, kicked to Medford's 35 where they downed the ball. Ross fumbled a pass from Le Roy House on the second play, North Bend recovering on the Tornado 35-yard stripe. The Coos County champs picked up a first down on the next play and added another two plays later to set the ball on the Medford 11 yard marker. Three plays into the line failed to gain and then a pass into the end zone caught Medford flat-footed. The conversion failed and Medford's lead was cut to 14-6.

After taking the ensuing kickoff, Watson, Jerry Ross and Jerry Clark started a drive, with Bill Singler carrying the ball only once in the series of plays which carried them a total of 85 yards and a touchdown with Clark going over from the 3 yard stripe. The conversion was no good and Medford was out in front 20 to 7 at end of the third period.

North Bend had the ball on their own 32 when the last quarter started. They picked up a couple of yards on the first play and then shot a long tricky pass from T-formation and the receiver was brought down on Medford's 14 yard line. First down picked up four yards and then the Bulldogs added eight more on three plays. On the next try, the coast lads went over from two yards out for their second and last touchdown. The conversion was no good.

Watson took the Bulldog kickoff on his own 10 and advanced it to the 40 to start a drive that was to see Medford add another touchdown before the final whistle. Singler picked up 24 yards on a left end run. Clark and Watson added nine yards then Ross passed 12 yards to Darrell Riggs, playing his first game since being injured at Grants Pass three weeks ago. Clark, on three plays, went over from the five for the last score

of the game. The conversion again was no good.

Clark Injured
The Tornado was blowing hard and had the ball on the Bulldog 28 as the game ended. Medford made 12 first downs to North Bend's 10. Clark was injured slightly when he suffered a shoulder separation and it was not known yesterday if he will be able to play Thursday. Watson and Jim Cave, center, suffered slight neck injuries but will probably be ready for the Grant game. Medford's season record now stands at 478 points scored against their opponents' 20.

FINE MAT CARD IS IN PROSPECT

Promoter Mack Lillard said yesterday that he plans the most outstanding wrestling card of the year for Medford armory Thursday night. The impresario said Pete Belcastro, the Weed Assassin, would return to the local wars as probably would Rough Rufus Jones, the detested Negro.

Lillard said all three matches would be made up of the best possible talent now on the west coast in an effort to give Medford a rare treat for the Thanksgiving holiday. The complete card will probably be revealed tomorrow, Lillard announced.

TALENT HI WINS SIX-MAN CROWN

Talent, Nov. 17—Talent high Bulldogs won the Jackson county six man football championship when they scored a 13-0 win over previously unbeaten Eagle Point here Friday night. Frink, Talent fullback, scored the first touchdown on a 40-yard gallop in the opening quarter and took a pass from Quarterback Hartley in the second period for the other tally.

The win marked the third straight season in which Talent has gone undefeated and was their 26th consecutive victory.

Farragut, Ida., Nov. 17—(U.P.)—Farragut navy chalked up its fifth victory of the season here today by dumping the semi-pro Bremerton, Wash., Rockets 33-0 on a muddy, slippery field.

San Mateo, Cal., Nov. 17—(U.P.)—L. B. Mayer's Whirlabout won the \$10,000 San Mateo handicap by eight lengths at Bay Meadows today.

A Word to Women —

WHO HELP TO CHOOSE APPAREL FOR THEIR MEN FOLKS

You'll like the friendly, courteous, helpful service here at Utz's. . . we know pretty well what men like and we'll help you to please them. We can offer the most famous lines of fine merchandise, too, (as it is available—Hart, Schaffner & Marx, Curlee, Stetson, Lee, Van Heusen, Hickok, Botany and Munsingwear—names you know for QUALITY, SMARTNESS and LONG WEAR. You will find, too, consistently low prices, here at Utz's. Let us help you please the man in YOUR life!

UCLANS TRIUMPH OVER GAELS 13-7 IN GREAT UPSET

Underdogs Trounce St. Mary's Wonder Team—Line Stops Wedemeyer

Los Angeles, Nov. 17—(U.P.)—The University of California at Los Angeles turned in one of the biggest upsets of the 1945 collegiate football season today by defeating St. Mary's college's wonder team 13 to 7 before 90,000 astounded spectators.

Fourteen point underdogs to the St. Mary's team, UCLA yielded a first-period touchdown on a fumble, then stormed back to win in the last minute of play.

It was a great triumph for southpaw Ernie Case, UCLA quarterback, a war veteran who started slowly this year but improved each game, reaching his peak today when he passed UCLA to its sensational victory.

It was also a great triumph for the UCLA line which had consistently outplayed its opponents all year. The line play prevented the great Herman Wedemeyer, St. Mary's all-American candidate from exhibiting his passing wizardry, and the slippery Cordeiro from getting off his usual long runs.

It was unheralded Brooks Biddle, who didn't get into the game until the final period, who sparked UCLA's 84-yard drive that put across the winning touchdown, with Biddle taking a 16-yard pass from Case for the winning margin.

Midway in the first period, Jack Boyd dropped a punt on his own 13 yard line and Schultz pounced on the ball. It took Wedemeyer just two plays to score the first touchdown. He also added the extra point.

Fumbles and pass interceptions held UCLA back, but St. Mary's made its only other real threat soon after when Wedemeyer took a lateral from Cordeiro passed to Schultz on the UCLA 25-yard line. Schultz dropped the ball but O'Connor scooped it up and carried it to the UCLA eight. But UCLA's line braced and held.

After two great second half kickoff run-backs by Wedemeyer were nullified by penalties, UCLA moved quickly to score. Skip Rowland ran 49 yards with a Wedemeyer pass and returned it to St. Mary's 36 yard line.

UCLA lost the ball on St. Mary's six yard line but after

Wedemeyer punted out. Case flipped a pass to Solid on the St. Mary's 20 yard line and Solid went over unmolested. Steffen's try for extra point was wide.

IZAAK WALTON LEAGUE MEETS TUESDAY NIGHT

The Jackson County Chapter of the Izaak Walton League will hold its regular monthly meeting at the Hotel Medford at 8 p. m., Tuesday, November 20. Highlighting the meeting will be the entertainment program furnished by the United States Forest Service featuring forest protection and showing several

reels of recent moving pictures. The chapter extends an invitation to the meeting to everyone interested in the protection of the forests and streams from destructive exploitation. There will be no admission charge and coffee and doughnuts will be served during a "get-together" conference after the meeting.

HUSKIES MANAGE ROUT IDAHO, 12-0

Seattle, Nov. 17—(U.P.)—The University of Washington Huskies fought off a determined Idaho football squad today to eke out an uninspired 12-0 victory with Half Hungar ripping over the Vandal goal line in the first and final periods.

Coach Babe Brown's under-rated Vandals, slow to get underway in the first period turned on a surprising aerial attack that had Washington reeling on the defensive throughout the second quarter. Idaho completed 11 out

of 29 of their wicked, flat passes hurled by 21-year-old Quarterback Ringgenberg.

ASK MORE FACILITIES
San Francisco, Nov. 17—(U.P.)—A demand for facilities for an additional 8,000 war veterans in California was forwarded tonight to President Truman and the Veterans administration by the State Senate Interim committee on veterans affairs.

Thirteen star groups are known to exist in the solar system.

DO WE GET TIRES OR NOT?

The public has become confused as to the tire picture. They read stories of great production, of an early end to rationing. They wonder why rationing boards are not more liberal in issuing new tire certificates—and then blame the dealer because he does not have tires. Naturally all of us would like to sell more tires—if we could get them. They are not being held back. There are many reasons why the demand exceeds the supply—and may continue to do so for the next two years. Don't be too hopeful, but be practical about your tires and you will have little worry about as to continued safe motoring.

This Is The TIRE PICTURE

Passenger tire quotas for November are 2,500,000. This is the same as it has been for the past several months. With a slight increase next month, it will mean that the entire yearly distribution will average one new tire per passenger car. Now—Let us see why YOU do not get tires. First, quotas are too small to meet the demand. Second, inventories in the hands of dealers are the smallest in history. The entire production of the rubber industry this month will do nothing more than fill backlog orders in the hands of manufacturers (more than 2 million) and the unfilled certificates in the hands of the public (more than 800,000). These have not been turned into tires because dealer stocks are virtually empty. Deliveries from manufacturers are two and three months behind. This is the complete story—verified by officials in the government agencies having to do with tire production and officiation.

HERE IS WHAT YOU CAN DO

By all means continue the measures of tire conservation that were urged by every government agency. They were—and still are—common sense principles. They include such fundamentals as careful driving—avoid sudden starts or stops. Have your tires inspected regularly. Keep tires properly inflated. If the wheels are out of alignment, have them adjusted. If there is a break, have it repaired at once. When the tread is worn smooth, have tires recapped immediately. Visit your tire serviceman who is interested in your continued driving and knows tire care. The dealers listed below have had years of experience and played a major part in maintaining transportation in this area. Their services are just as important today.

HERE IS WHAT WE WILL DO

We know every phase of tire construction, factors that lower tire mileage and how to guard against them. We know how to add new, safe miles to your tires. The quality of our repair and recapping work meets government regulations and the standards adopted by the National Bureau of Standards. It is our desire to assure you every possible mile of travel for your dollar—the best value possible. It is our opinion that there will not be sufficient tires to meet full demand for the next two years. Even if rationing should end, your needs will not be met. Tire repairs and recapping will continue to play a dominant part in transportation and we offer you the combined skill—the services and facilities of our 18 years of tire capping experience. The oldest, full circle capping shop in the Northwest—You just can't beat experience.
